

Youth of the Month

February

My name is Fatima and I have lived in Charlestown since I was five years old. I joined Turn It Around because one of my friends was a member. One day after school, Yessica told me and Zaire to come to Turn It Around with her. The meeting was at the Boys and Girls Club. I was interested in joining because I wanted to help the community and help influence people to understand that drug use isn't the way your life should go. Now I get a chance to do those things.

Turn It Around is going to have a great impact on the community. In the future I want to become a Pediatrician; that's been my life goal since I was about six. Turn It Around helps that a lot because we work with kids and that can prepare me for my future goal. I'm grateful to be a member of Turn It Around.
