 Exhibitor Signature Date

 Parent/Guardian Signature Date

*An explanation of the Routt Born/Raised and Shared Animal can be found on the back of this form.

Pre-Fair Weigh-In:

Youth exhibitors will be allowed to identify and weigh-in market livestock at a fee of \$5.00 per animal payable at the respective winter or spring market animal weigh-in. There is no limit to the number of animals weighed in at the Pre-Fair Weigh-in.

Members will have two weeks from winter/spring weigh-in to double check that all the information inputted during weigh-in is correct. The official weigh-in information will be posted to the Routt County Extension website the day (or two) after weigh in: <https://routt.extension.colostate.edu/4-h/4-h-member-information/horse-and-livestock-information/>. Families/members are responsible to assure the animals' ID, weight, DOB, shared animal, etc. are all correct. After the two-week period all information entered becomes final and CANNOT be changed.

Shared Animal:

A "Shared Animal" may be declared by any group of youth who house their animals together at the same physical location. Each group may declare one (1) Shared Animal per species at the respective winter and spring market weigh-ins.

At fair weigh-in, immediately after the final animal from that housing group has been weighed, and before the animal leaves the scale, the Shared Animal must be officially assigned to a specific exhibitor who will show it at the fair.

A Shared Animal is an animal that may be weighed in under more than one eligible exhibitor's name because all exhibitors keep their project animals at the same residence or facility.

Example: Three exhibitors who house their swine together each weigh-in one market hog under their individual names. They also weigh-in a fourth hog as their Shared Animal. This provides a backup in case one exhibitor's primary project animal becomes unusable.

The Shared Animal must be Animal ID'd and registered in FairEntry for every exhibitor who may show it.

Producers Award (Routt County Born/Raised)

1. This contest is open to Routt County 4-H members showing Routt County Raised sheep, goat, swine and beef market projects for the current year (and enrolled in 4-H for the current year).
2. Routt County Raised is defined as born and continuously raised in Routt County. It cannot be wintered outside of Routt County.
3. This is a Producer or Ranch award. Youth, with permission from the local producer, may enter their animal in the Producer Competition when you register for fair online.
4. The scores are based on a 150 point scale and compiled from the animal's
 - a. **Live Placing** – 1/3 of score
 - b. **Rate of Gain** – 1/3 of score
 - c. **Carcass Score** – 1/3 of score
5. Rate of gain will be determined by winter/spring weights and Fair weights.
6. Carcasses will be evaluated using guidelines from the American Meat Science Association.
7. An award will be presented to the Producer/Ranch at the Routt County 4-H Achievement Awards Program in November.
8. A member is ineligible to compete for this award if they score below a 70% on the judging of their record book or if the member is incomplete in their livestock project.
