COUNSELING SERVICES

PSIMED INC., located at 1111 Van Voorhis Road, Suite J, is excited to announce new services for the Morgantown and expanded area. With the addition of several new staff, we have expanded our services.

1. **PSYCHOLOGICAL TESTING** - With the new addition of Dr. Michele Cardi, PSIMED will be utilizing testing with Children and Adults to help clarify diagnoses, provide insight into a particular situation and to accurately assess treatment and other needs for patients. This testing can be requested by both the patient and other clinicians in the practice. We provide psychological testing to all ages to determine ADHD, Depression, Anxiety Disorders, Autistic Disorders, and Learning Disorders.
2. **Individual Therapy/Counseling** - PSIMED will continue to offer individual therapy in which patients work one-on one with a licensed therapist or a licensed psychologist.
Types of Counseling Offered:
 1. Marriage Counseling
 2. Family Counseling
 3. Addiction Counseling
 4. Behavioral Management/Parent Training
3. **Children Services** - We have a Board Certified Psychiatrist in General Psychiatry and Child & Adolescent Psychiatry, Dr. Richard Mullin. PSIMED offers a full range of services for Children and their Families. We provide individual therapy to children ages 3-18, family therapy and therapy between groups of family members (e.g. between Mother and Child). Our Psychologist uses a combination of Play Therapy and Cognitive Behavioral Therapy with teens and children and also works with parents on behavior management and addressing special needs in children such as parenting the ADHD Child.

EVENING APPOINTMENTS - PSIMED offers two days for evening appointments, Tuesday and Wednesday, for therapy.

DRUG/ALCOHOL SERVICES - starting October 11, 2017 PSIMED will be offering DRUG/ALCOHOL COUNSELING services on Wednesday evenings.

INSURANCES - currently PSIMED accepts the following insurances:

1. The Health Plan
2. Blue Cross Blue Shield
3. UMWA
4. PEIA
5. AETNA

6. TRICARE
