Unshame NC

WEBINAR

The Basics of the Gold Standard for Treatment

Tuesday, March 24th

12pm - 1pm EST

Dr. Shuchin Shukla
MD, MPH
Speaker

Our webinar will allow participants to:

- Learn the science behind MOUD, including how they work and why they are safe, effective treatments.
- Understand the different types of MOUD available and the benefits they offer in managing symptoms and improving health and social outcomes.
- Explore the availability of MOUD in North Carolina and the importance of expanding access.
