# Windmills

*Harness the power of inclusion.*

**Windmills equips leaders with the knowledge, skills, and tools they need to confidently hire and support a disability-inclusive workforce.**

**On March 31, 2026, join us for a virtual Windmills focused on understanding traumatic brain injury in the workplace. This session will help you:**

- **Improve communications**
- **Support team performance**
- **Apply simple and low-cost accommodations**

## TRAUMATIC BRAIN INJURIES

Just because a disability is invisible doesn't mean it's insignificant. Employees may seem fully recovered, but traumatic brain injury (TBI) can impact workplace performance in ways that others can't see. This Windmills training offers clear, practical strategies to support success on the job for employees with TBI.

**American Sign Language interpretation and live captioning provided. This event is open to the public. Advance registration is required.**
