

Medical Providers Substance Use Care Training:

Reducing Barriers & Improving Outcomes

For Medical Providers Only

Build a more compassionate, stigma-free approach to medical care. This **free training** equips medical providers with tools to better support their patients with substance use disorder.

Continuing Education Units (CEUs) will be offered for this program. Participants who complete the session and required evaluation will receive documentation for their continuing education records.

 **Wednesday
April 29**
8:30 a.m. – 5 p.m.

 **Wake County
EMS Training Center**
221 S. Rogers Lane
Raleigh, NC 27610

 **Lunch provided**
