NC DEPARTMENT OF HEALTH AND HUMAN SERVICES

TELUS Health

NCPGP LEADERSHIP ACCELERATOR

Advanced Training Institute for Gambling Treatment and Recovery Professionals

Take Your Practice Beyond the Basics.

WHO SHOULD ATTEND?

Gambling treatment practitioners, peer support specialists, and allied and aligned behavioral health professionals.

Participants should have engaged in an approved gambling-specific training within the last 3 years and be actively providing gambling-related harm services.

Some sessions include clinical content; all presenters ensure learning is relevant across professional roles.

★ SIGNATURE EXPERIENCE ★

APPLIED PRACTICE LAB

Learn It. Build It. Take It Home.

Across all three days, you'll collaborate in small teams using North Carolina gambling research, helpline insights, and local data to develop practical tools, strategies, and solutions tailored to your community. Every participant leaves with something they can implement immediately.
