Are you someone who

Is a trusted voice in a North Carolina Asian American or Pacific Islander community?

Wants to change how your community talks about mental health, substance use and suicide?

Then

Apply to be a 2026-2027 Tarang Community Lead!

You'll get to:

- Lead awareness, education and training efforts rooted in your community's culture and traditions
- Empower members of your community to lead change through example
- Connect with a statewide coalition of leaders to share what works

This is a volunteer role of about 10 hours a month. No clinical training needed.

Apply by November 9th at
