

Michelle Kraskin, AuD

Dr. Michelle Kraskin, an Assistant Director of Audiology at Weill Cornell Medical College, received her Doctor of Audiology (Au.D.) degree at the Graduate Center of the City University of New York. She obtained her Bachelor of Arts degree from the State University of Stonybrook and her Masters of Science in Communications Science from Hunter College, City University of New York. Dr. Kraskin is licensed in Audiology through the New York State Department of Education and holds the Certificate of Clinical Competence in Audiology (CCC-A) from the American Speech Language Hearing Association (ASHA). She maintains membership in ASHA.

Dr. Kraskin has been affiliated with New York-Presbyterian Hospital/Weill Cornell Medical Center since 2003. She is responsible for the coordination of the day-to-day activities for audiology and speech and for infant screening services as part of the Hearing and Speech Department. Her clinical expertise is in the area of pediatric assessment of hearing including audiometry, auditory brainstem response (ABR), otoacoustic emissions (OAE) testing, hearing aids and cochlear implantation.
