FRAMING THE IMPACT OF COVID-19 ON YOUR PROMOTION FILE

When: Friday, November 5, 2021

Time: 9 - 10 a.m. on Zoom

Register: <https://bit.ly/3vaoQBp>

Join AVC Frances Contreras and AVC Cindy Palmer for a conversation about how to discuss the impact of COVID-19 on your scholarly productivity and achievement. We'll discuss how to best frame the following, if applicable, in your promotion file:

- Course adaptations and changes in teaching workloads
- Research delays and complications (e.g. due to lab closures, new protocols, inability to conduct field work)
- Increases in student advising, mentoring, and support
- Lost opportunities for professional engagement, including lectures, conferences, performances, and collaborations
- Other challenges and constraints on opportunities due to the pandemic
