A. ACTIVITY #1 Read the story of Moses (recommendation: use a children's bible or book). Talk about the story and answer questions. **What was the name of the baby? Moses.** **Where did the mommy put Moses? In a basket in the river.** **Why did she do that? To keep him safe.** **Was the mommy sad to have to put her baby in the basket? Yes.** **But was Moses kept safe? Yes.** **Who kept Moses safe? God.** **Who found him? The Pharaoh's daughter.** **And who got to take care of Moses? His mommy.**

B. ACTIVITY #2: Watch the video on Moses. Talk about the story and again answer questions.

C. ACTIVITY #3: Before beginning, fill the bathtub with water and float the doll in the plastic container. After reading the book, watching the video and answering questions, say, “**Maybe there is a Moses floating in the water in our house. Let's check. Where is there water in our house?**” Check the kitchen, laundry and then the bathroom(s), finding the baby Moses floating in the last bathtub.

V. Memorize:  
*Into a basket to avoid detection,  
Placed in a river under God's protection.*

VI. Close in Prayer

VII. Pass It On: Make an extra copy of this lesson and *pass it on* to another family.
