13. Establishing uniform entrances where patrons are screened;
14. Prohibiting entrance of patrons exhibiting Symptoms of COVID-19;
15. Placing signage at any entrance to instruct patrons that they cannot enter if they have been diagnosed with COVID-19, have Symptoms of COVID-19, or had contact with a person that has or is suspected to have COVID-19 within the past fourteen (14) days;
16. Implementing processes to perform contactless security checks, as appropriate;
17. Reducing face-to-face purchase transactions when possible;
18. Removing any self-service items and have Workers provide such items to patrons directly wherever practicable;

19. Placing acrylic or other types of barriers or screens, including safety goggles, in areas where there is frequent patron-Worker contact;
20. Placing signs that remind patrons to adhere to the guidelines published by the Centers for Disease Control and Prevention to prevent the spread of COVID-19;
21. Requiring Workers to monitor queues and enforce Social Distancing and prevent Gatherings;
22. Encouraging the use of Hand Sanitizer by patrons at the entrance of the premises and the entrance to all ride or attraction queues;
23. Cleaning and sanitizing the contact surfaces of any ride or attraction prior to opening and frequently throughout the day;
24. Reducing the number of patrons per ride or attraction in the following manner:
 - For open-air rides where patrons are arranged in rows, such as roller coasters, log flumes, train rides, and similar types of rides and attractions, only allowing persons in the same party to be seated on the same row and only seating every other row;
 - For open-air rides where patrons are arranged in groups, such as free-fall rides, rafting rides, and other similar types of rides and attractions, seating persons in the same party adjacent to each other and providing at least six (6) feet between persons not in the same party;
 - For open-air rides where patrons are seated in cars, such as bumper cars, sky lifts, classic Ferris wheels, swing rides, and similar types of rides and attractions, only allowing persons in the same party to be seated together in each car;
 - For open-air rides where patrons are seated in an interspersed manner, such as carousels and similar types of rides and attractions, seating patrons so that there is at least six (6) feet between persons not in the same party;
 - For closed car rides, such as monorails, gondola-style Ferris wheels, and similar types of rides and attractions, only allowing cohabitating persons to be seated together in each car or unit; and
 - For self-guided rides where enforcing Social Distancing is not practicable and there are surfaces subject to multiple contacts, such as fun houses, ball pits, jump-arounds, haunted houses, and similar types of rides and attractions, closing such rides or attractions unless Social Distancing can be enforced and the ride or attraction can be sanitized between groups of participants.
25. Reconfiguring queues so that patrons must adhere to Social Distancing while waiting on a ride or attraction;
26. Recognizing that it may not be possible to open some attractions if Social Distancing and sanitation protocols cannot be implemented;
27. Reconfiguring locker arrangements or availability to allow for Social Distancing;
28. Sanitizing lockers frequently throughout the day;
29. Reconfiguring seating and lounge areas to allow for Social Distancing;
30. Cleaning and sanitizing restrooms regularly, checking restrooms based on the frequency of use, and ensuring adequate supply of soap and paper towels at all times;
31. Implementing procedures to increase cleaning and sanitizing frequency of surfaces;
32. Food service areas must adhere to the same guidelines set forth in Section IV of this Order, titled "Restaurants & Dining Services;" and
33. Water parks and water amusement rides shall implement the following additional measures:

- Ensuring pool water is treated in accordance with Georgia Department of Public Health and applicable county pool ordinance or Boards of Health regulations;
- Utilizing a timed or controlled entry system to limit patron distancing in pools to allow for Social Distancing and have Workers regularly monitor capacity;
- Not opening wave pools and other rides or attractions where capacity, wave thrust, and Social Distancing cannot be effectively managed; and
- Following applicable guidance from the Georgia Department of Public Health and Centers for Disease Control and Prevention on managing public swimming pools.
