## ABOUT THE CONFERENCE

AFCC strives to offer a wide range of conference sessions highlighting different research, advocacy positions, policies, practices, programs, procedures, and ideas. Some programs may be evidence-based while others may report on works in progress, emerging practices, or policy initiatives. The goal of the conference is to enhance learning while encouraging respectful inquiry, discussion, and debate consistent with AFCC organizational values. AFCC does not necessarily endorse or support the opinions of conference presenters. The AFCC Exhibit Forum includes a variety of vendors promoting services and products. AFCC does not necessarily endorse or warrant vendors' products, services, or views.
