

State	Stay at Home Order Expiration (if applicable)	Recent Reopening Actions (if applicable)	Regional Reopening Planning Group (if applicable)	Reopening Plans and Task Forces	Recent Actions on Elective Procedures (if applicable)	State Travel Restrictions and Quarantine Requirements (if applicable)	Link to Vaccination Plan	Additional Documents and Items	For Further Information, See:
Alabama (AL)	Expired 4/30/2020	February 24, 2021 – The state reported 1,247 new cases today and has administered 790,427 vaccines total so far.		Reopening Alabama Responsibly	Dental, medical, or surgical procedures may proceed beginning April 28 unless the State Health Officer determines that performing such procedures would unacceptably reduce access to PPE or other resources necessary to diagnose and treat COVID-19.		Alabama Vaccination Plan		Tracking COVID-19 in Alabama (AL Recovers)
Alaska (AK)	Expired 4/24/2020	February 24, 2021 – Governor Dunleavy tested positive for COVID-19 after coming into close contact with someone with the virus.		Reopen Alaska Responsibly	Health Mandate 15: Surgeries and intensive procedures are permitted to proceed beginning April 21 if further delay is deemed to cause significant impact on health, livelihood, or quality of life. Certain conditions are required to be met before procedures can resume.	Notice to Travelers Arriving in Alaska- Updated Feb. 14, 2021	Alaska Vaccination Plan	COVID-19 Response and Recovery Health Advisories	Governor Dunleavy Tests Positive for COVID-19
Arizona (AZ)	Expired 5/15/2020	February 22, 2021 – Governor Ducey and Arizona's state Medicaid agency announced an initiative to provide non-emergency medical transportation for eligible Medicaid members to get to drive-through vaccination appointments.			The Arizona Department of Health issued a June 6 letter directing hospitals to fully activate their emergency plans. Elective procedures were permitted to resume May 1, however, due to increasing numbers of COVID-19 cases, the Department ordered hospitals reduce or suspend elective procedures to ensure adequate bed capacity for both COVID-19 and non-COVID-19 patients.		Arizona Vaccination Plan		Arizona Launches Initiative Easing Access To COVID-19 Vaccine Sites For Vulnerable Individuals
Arkansas (AR)	Expired 5/4/2020 (no stay at home order, but this is the date by which the governor lifted some restrictions on businesses)	February 24, 2021 – Governor Hutchinson provided an update on Arkansas' COVID-19 response, announcing those 65 and older are now eligible for the vaccine. The state also reported 803 new cases today.		Economic Recovery Taskforce	ADM Directive on Elective Surgeries: Elective surgeries that are not expected to require overnight hospitalization may resume April 27. Elective dental procedures are permitted to resume June 15.		Arkansas Vaccination Plan		Governor Hutchinson Provides Today's COVID-19 Update
California (CA)	Current stay at home order in place; Regional stay at home order in effect for at least three weeks for any region which experiences an ICU capacity rate of less than 15 percent	February 23, 2021 – Governor Newsom signed a new relief package into law, providing relief to individuals, families, and businesses suffering from the most significant hardships due COVID-19. This builds on the January state budget proposal to provide relief. February 22, 2021 – Governor Newsom announced the state is partnering with OptumServe to open 11 new vaccination sites in the Central Valley.	Western States Pact	California's Roadmap to Modify the Stay-at-Home Order	On January 5, CDPH issued a public health order requiring some non-essential and non-life-threatening surgeries to be delayed in counties with 10 percent or less of ICU capacity under the Regional Stay at Home Order where the regional ICU capacity is at 0 percent.	Travel Advisory	California Vaccination Plan	In Kern County, Governor Newsom Announces New Central Valley Vaccine Initiatives Serving Hardest Hit Communities	Governor Newsom Signs Legislative Package Providing Urgent Relief to Californians Experiencing Pandemic Hardship
Colorado (CO)	Expired 4/26/2020	February 23, 2021 – Governor Polis amended and extended an Executive Order establishing directives for the COVID-19 Dial Framework, adding level Red into certain restrictions the Department of Public Health can set by Public Health Order	Western States Pact	Governor's Council on Economic Stabilization and Growth	Governor Polis issued several executive orders allowing elective procedures to resume provided the facility providing the service follows outlined protocols. On June 24, the Governor issued an updated executive order effective for 30 days, extending the prior executive order allowing elective procedures.		Colorado Vaccination Plan	Executive Order D 2021 047	Governor Polis Takes Action in Response to COVID-19 Pandemic
Connecticut (CT)	Expired 5/20/2020	February 22, 2021 – Governor Lamont announced the state will continue going ahead with the age based approach to vaccine distribution. The next expansion is Monday, March 1; people aged 55 and over will become eligible.	NE Regional	Reopen Connecticut Advisory Group	Hospitals began resumption of elective surgeries in May.	Connecticut requires anyone traveling into Connecticut from a state or territory other than New York, New Jersey, or Rhode Island, or from a country other than the United States, to self-quarantine for a 10-day period from the time of last contact with the identified state or country.	Connecticut Vaccination Plan		Governor Lamont Announces Connecticut Will Continue Age-Based Approach To COVID-19 Vaccine Eligibility; Educators and Childcare Providers To Have Dedicated Clinics in March
Delaware (DE)	Expired 5/15/2020	February 25, 2021 – The state announced individuals who received their first COVID-19 vaccine dose 28 or more days ago are now eligible to sign up for a Friday appointment to get their second dose at the Dover International Speedway vaccine distribution center.	NE Regional	Restarting Delaware's Economy	Resumption of Elective and non-Urgent Medical Procedures and Appointments		Delaware Vaccination Plan		Friday FEMA Dover Second-Dose Appointments Now Open to Those With First Dose On Or Before Jan. 29 From Any Provider
District of Columbia (DC)	Expired 6/8/2020	February 24, 2021 – Mayor Bowser and DC Health announced beginning Thursday, February 25, DC residents aged 16-64 with qualifying medical conditions are now eligible to book vaccination appointments.		Reopen DC	The District of Columbia Department of Health issued guidance for resuming elective non-emergency surgeries starting on May 26 with Phase 1 of reopening. On June 15, the Department updated Phase 2 guidance for elective procedures.	Travel Status Update	District of Columbia Vaccination Plan		Mayor Bowser and DC Health Announce that DC Residents with Qualifying Medical Conditions Can Begin Making Vaccination Appointments on Thursday, February 25 at 9am
Florida (FL)	Expired 5/4/2020	February 25, 2021 – Governor DeSantis announced the establishment of six new vaccination sites across the state to administer 200 shots per day, per site. The vaccines are available to healthcare workers and people aged 65 and older.		Re-Open Florida Task Force	Executive Order 10-112: Effective May 4, procedures may resume under certain conditions. However, hospitals in South Florida have announced they will be postponing elective procedures due to rising COVID-19 cases. More regions are expected to follow suit.
