|---------------------------|---|--|---|---|--|---|---|--|---|
| Alabama (AL) | Expired 4/30/2020 | January 21, 2021 – Governor Ivey extended the state's Safer at Home order which includes a mask requirement until March 5, 2021. | | Reopening Alabama Responsibility | Dental, medical, or surgical procedures may proceed beginning April 28 unless the State Health Officer determines that performing such procedures would unacceptably reduce access to PPE or other resources necessary to diagnose and treat COVID-19. | | Alabama Vaccination Plan | Taskforce to Support Economic Recovery | Governor Ivey Extends Safer at Home Order |
| Alaska (AK) | Expired 4/24/2020 | January 14, 2021 – Governor Dunleavy issued a fourth Public Health Disaster Emergency Declaration in response to the COVID-19 pandemic. The declaration is in effect until February 14, 2021. | | Reopen Alaska Responsibility | Health Mandate 15: Surgeries and intensive procedures are permitted to proceed beginning April 21 if further delay is deemed to cause significant impact on health, livelihood, or quality of life. Certain conditions are required to be met before procedures can resume. | Mandatory Health Mandate - All Air Travelers* | Alaska Vaccination Plan | | Dunleavy Issues Extension of State's COVID-19 Public Health Disaster Response |
| Arizona (AZ) | Expired 5/15/2020 | January 14, 2021 – Governor Ducey announced due to the high demand for appointments at the first 24/7 vaccination site, the state will be opening a second vaccination site at the Phoenix Municipal Stadium. All appointments at the State Farm Stadium, the first 24/7 vaccination site, are taken through the end of January. | | | The Arizona Department of Health issued a June 6 letter directing hospitals to fully activate their emergency plans. Elective procedures were permitted to resume May 1, however, due to increasing numbers of COVID-19 cases, the Department ordered hospitals reduce or suspend elective procedures to ensure adequate bed capacity for both COVID-19 and non-COVID-19 patients. | | Arizona Vaccination Plan | Guidance for Holiday Gathering | Strong Demand For COVID-19 Vaccine Paves Way For Second State Site At Phoenix Municipal Stadium |
| Arkansas (AR) | Expired 5/4/2020 (no stay at home order, but this is the date by which the governor lifted some restrictions on businesses) | January 19, 2021 – Phase 1B of the state's vaccine distribution plan began, allowing residents 70 and older, and school staff, to receive their first dose of the COVID-19 vaccine. | | Economic Recovery Taskforce | ADH Directive on Elective Surgeries: Elective surgeries that are not expected to require overnight hospitalization may resume April 27. Elective dental procedures are permitted to resume June 15. | | Arkansas Vaccination Plan | Governor Announces New COVID-19 Advisory Board To Review Testing, Contact Tracing Technology | COVID-19 in Arkansas: Vaccine rollout enters phase 1B as Gov. Hutchinson receives his dose (WRFG) |
| California (CA) | Current stay at home order in place; Regional stay at home order in effect for at least three weeks for any region which experiences an ICU capacity rate of less than 15 percent | January 20, 2021 – California State Epidemiologist Dr. Eric Pan issued a statement that allowed providers to resume the administration of lot 41120A of the Moderna COVID-19 vaccine, which was temporarily paused on January 17 due to possible allergic reactions. | Western States Pact | California's Roadmap to Modify the Stay-at-Home Order | On January 5, CDPH issued a public health order requiring some non-essential and non-life-threatening surgeries to be delayed in counties with 10 percent or less of ICU capacity under the Regional Stay at Home Order where the regional ICU capacity is at 0 percent. | Travel Advisory | California Vaccination Plan | State Public Health Officer Order (January 5, 2021) | California State Epidemiologist Issues Update on Moderna COVID-19 Vaccine |
| Colorado (CO) | Expired 4/26/2020 | January 19, 2021 – Governor Polis in a press conference stated all Coloradans aged 70 and older will receive a COVID-19 vaccine by the end of February. Approximately 120,000 people, or one in five people over 70 years old, received their vaccines this week. | Western States Pact | Governor's Council on Economic Stabilization and Growth | Governor Polis issued several executive orders allowing elective procedures to resume provided the facility providing the service follows outlined protocols. On June 24, the Governor issued an updated executive order effective for 30 days, extending the prior executive order allowing elective procedures. | | Colorado Vaccination Plan | Key Indicators to Inform Social Distancing Guidance | Gov. Polis: 1 in 5 Coloradans age 70+ will be vaccinated by this week (KDVR) |
| Connecticut (CT) | Expired 5/20/2020 | January 19, 2021 – Governor Lamont announced he is directing the Connecticut Department of Public Health to proceed through the remaining groups in Phase 1b with a tiered approach based on risk of adverse health outcomes from the virus. | NE Regional | Reopen Connecticut Advisory Group | Hospitals began resumption of elective surgeries in May. | Connecticut requires anyone traveling into Connecticut from a state or territory other than New York, New Jersey, or Rhode Island, or from a country other than the United States, to self-quarantine for a 10-day period from the time of last contact with the identified state or country. | Connecticut Vaccination Plan | | Governor Lamont Announces Tiered Approach To Phase 1b Vaccine Appointments |
| Delaware (DE) | Expired 5/15/2020 | January 19, 2021 – Governor Carney announced the state transitioned to Phase 1B in its COVID-19 vaccine distribution plan. The phase includes residents 65 and older. More than 200,000 residents qualify for the vaccine under Phase 1b. | NE Regional | Reopening Delaware's Economy | Resumption of Elective and non-Urgent Medical Procedures and Appointments | | Delaware Vaccination Plan | Governor Carney Announces Public Engagement Around Economic Reopening, Recovery | Governor Carney, RPH Announces Transition to Vaccinate Phase 1B |
| District of Columbia (DC) | Expired 6/8/2020 | January 21, 2021 – The pause on various Phase Two activities put in place on December 23 ended on January 22. Beginning January 22, indoor dining may resume at 25 percent capacity, or 250 people, whichever is less. Moreover, museums may reopen but are capped at 250 people per floor and may not offer guided tours. Several activities remain suspended, including the DC Circulator National Mall route and the reopening of DC public libraries. January 19, 2021 – DC Health announced beginning the week of January 25, in-person staff, including teachers and support staff, at DC Public Schools and DC Public Charter Schools will begin receiving the COVID-19 vaccine. | | Reopen DC | The District of Columbia Department of Health issued guidance for resuming elective non-emergency surgeries starting on May 26 with Phase 1 of reopening. On June 15, the Department updated Phase 2 guidance for elective procedures. | Travel Status Update | District of Columbia Vaccination Plan | | With Pause of Various Phase Two Activities Ending, Several Activities to Remain Suspended |
| Florida (FL) | Expired 5/4/2020 | January 22, 2021 – Governor DeSantis announced 66 percent of the state's administered vaccines have gone to residents 65 and older. Moreover, Governor DeSantis indicated the state is approaching 1 million vaccines administered to seniors. January 19, 2021 – Governor DeSantis announced an expansion of the state's partnership with Publix supermarkets to establish COVID-19 vaccination sites at an additional 137 Publix locations. | | Re-Open Florida Task Force | Executive Order 10-112: Effective May 4, procedures may resume under certain conditions. However, hospitals in South Florida have announced they will be postponing elective procedures due to rising COVID-19 cases. More regions are expected to follow suit. | Mandatory Executive Order - All Air Travelers Coming from CT, NJ, NY | Florida Vaccination Plan | Governor Ron DeSantis Announces Limited Re-Opening of Recreational Trails and Beaches | Florida Approaching 1 Million Seniors Vaccinated |
| Georgia (GA) | Expired 4/30/2020, but certain businesses were allowed to open starting 4/24/2020 | January 22, 2021 – In a press conference, Governor Kemp expressed concern over hospital capacity and encouraged residents to continue practicing mitigation measures. The state is currently in phase 1A of its vaccine plan, which applies to those 65 and older and their caregivers, healthcare workers, residents and staff of long-term care facilities, law enforcement officers, fire department personnel and dispatchers and 911 operators. | | | Governor Kemp's announcement on a phased reopening of the state's economy noted healthcare providers had voluntarily suspended elective procedures. However, the Governor expressed his belief that the state was positioned to obtain the necessary PPE and medical supplies to resume elective procedures. | | Georgia Vaccination Plan | | Gov. Kemp says hospitals can't handle another COVID-19 surge; more vaccine doses coming (Reporter Newspapers) |
| Hawaii (HI) | Expired 5/31/2020 | January 19, 2021 – Governor Ige in a press briefing stated the demand for COVID-19 vaccines exceeds the supply and urged Hawaiians to maintain their vigilance against the virus. Last week, the Department of Health received more than 58,000 doses of the COVID-19 vaccine and is expecting 33,400 more. | | Economic and Community Recovery and Resiliency Plans | Gov. Ige previously issued Executive Order 20-25 ordering all healthcare facilities and providers to render assistance in support of the state's response to the COVID-19 pandemic. The term "render assistance" includes canceling or postponing elective surgeries and procedures as each facility determines appropriate under the circumstances. The governor's sixth supplementary proclamation restates the prior elective procedure executive order, which includes canceling or postponing elective surgeries; however, media reports indicate the governor may relax elective procedure prohibitions. | Pre-Travel Testing Program Details | Hawaii Vaccination Plan | | HAWAII COVID-19 JOINT INFORMATION CENTER DAILY NEWS DIGEST JAN. 19, 2021 |

|--------------------|--|---|---------------------|--------------------------------------|--|---|--------------------------------|---|
| Idaho (ID) | Expired 4/30/2020 | January 19, 2021 – Governor Little announced he will increase the number of available Idaho National Guard personnel from 250 to 400 guardsmen to aid in Idaho's vaccine distribution. Moreover, Governor Little announced the state will offer healthcare providers new grants – COVID-19 Vaccine Capacity, Safety, and Reporting Grants – to hasten vaccine administration. | Midwest Partnership | Economic Rebound Advisory Committee | | Idaho Vaccination Plan | Idaho Rebounds | Gov. Little accelerates COVID-19 vaccine administration across Idaho. |
| Illinois (IL) | Expired 5/30/2020 | January 22, 2021 – Governor Pritzker announced all regions are now in Tier 2 and Regions 10 and 11 are on track to advance to Tier 1 on January 23. The recent changes indicate COVID-19 spread is slowing across the state. Moreover, Governor Pritzker announced new investments by the state to help small businesses access federal COVID-19 emergency programs. The Illinois Department of Commerce and Economic Opportunity (DCEO) will direct a \$3.4 million investment to expand community navigator outreach programs and technical assistance services provided through the State's Small Business Development Centers (SBDCs). These investments are designed to help more businesses take advantage of billions of dollars of financial assistance recently made available through the renewed Paycheck Protection Program (PPP), and with other federal programs set to launch in the coming weeks. | Midwest Partnership | COVID-19 Compact Reopening Committee | Department of Health Guidance: Beginning May 11, hospitals may begin to perform procedures, provided that specific criteria have been met. On May 13, Governor Pritzker issued an executive order that essentially incorporates the Illinois Department of Public Health's prior mandates and requirements for the performance of elective procedures. | 14-Day Quarantine for Visitors to Chicago from Certain States | Illinois Vaccination Review | Region 4 Moves to Tier 2 - All Regions out of Tier 3 Mitigations |
| Indiana (IN) | Expired 5/4/2020 | January 21, 2021 – Governor Holcomb announced 86,000 people are fully vaccinated and around 238,000 people between 70 and 79 years old have scheduled or received a vaccine. Approximately 626,000 individuals have scheduled or received a vaccine. Governor Holcomb stated Indiana remains focused on expanding the number of vaccine clinics and that the next eligible vaccine group will be those between 65 and 70 years old. | Midwest Partnership | Back on Track Indiana | Executive Order: Beginning April 27, hospitals can resume elective procedures, provided the facility has sufficient PPE and meets several conditions. Note: As of November 4, elective procedures are halted in certain regions and hospitals to ease the burden on hospital staff. | | Indiana Vaccination Plan | What we learned from the Indiana Governor's "prioritization" new conference this week (Andy Star) |
| Iowa (IA) | Expired 4/20/2020 | January 21, 2021 – Governor Reynolds announced individuals 65 years and older may receive a COVID-19 vaccine beginning February 1, changing the existing policy from 70 years old. | | | New Proclamation of Disaster Emergency: Beginning April 27, outpatient surgeries may resume, and inpatient surgeries may resume if they pose a significant risk to quality of life if further delayed. | Recommendation - All Travelers | Iowa Vaccination Plan | Gov. Kim Reynolds: Iowans 65 and older added to next phase of vaccine distribution (Dee Moore Register) |
| Kansas (KS) | Expired 5/3/2020 | January 20, 2021 – Governor Kelly announced Kansas will move into Phase 2 of its vaccine plan beginning January 21. Those 65 and older, those in congregate settings, and all high-contact critical workers will now be prioritized for vaccination, in addition to any one from Phase 1 who has not yet been vaccinated. Moreover, Governor Kelly announced a new COVID-19 vaccine dashboard which will display the latest metrics on the state's progress. | | Ad Astra: A Plan to Reopen Kansas | | | Kansas Vaccination Plan | Governor Laura Kelly Announces Kansas Moves to Phase 2 of COVID-19 Vaccine Distribution |
| Kentucky (KY) | No set date; phased opening as of 5/11 | January 21, 2021 – Governor Beshear in a press conference announced Kentucky's highest-ever number of newly reported deaths, at 58 additional deaths. He noted the state's positivity rate is beginning to decline after a record-high week. | Midwest Partnership | | Cabinet for Health "Kentucky Healthcare Reopening": On May 27 following a phased reopening of healthcare services, elective procedures may resume provided the facility meets certain conditions. | | Kentucky Vaccination Plan | 7 Benchmarks to Reopen Commonwealth's Economy Gov. Beshear Provides Update on COVID-19 |
| Louisiana (LA) | Expired 5/15/2020 | January 22, 2021 – Governor Edwards stated there are "positive signs" that the state has "plateaued." He indicated the numbers may begin to trend downward in coming weeks. The state has administered 301,316 doses of the COVID-19 vaccine with Governor Edwards stating the rollout is "slower than we would like." | | Rebuild Louisiana Commission | The Louisiana Department of Health issued an order, effective June 5 through July 5, 2020, noting that medical and surgical procedures are based on the needs of the patient, which must be documented in the medical record, as long as the provider meets the order's requirements. | | Louisiana Vaccination Plan | Gov. Edwards provides update on vaccinations and state response (KATC) |
| Maine (ME) | Expired 5/31/2020 | January 19, 2021 – Governor Mills extended the State of Civil Emergency until February 17, 2021 to continue addressing the COVID-19 pandemic. | | Plan to Restart Maine's Economy | Beginning May 1, hospitals and facilities may resume elective procedures and routine appointments under strict guidelines. | Mandatory - Certain Travelers* | Maine Vaccination Plan | Economic Recovery Committee Governor Mills Continues State of Civil Emergency as Maine Fights COVID-19 |
| Maryland (MD) | Expired 5/15/2020 | January 21, 2021 – Governor Hogan along with State Superintendent Dr. Karen Salmon called on all Maryland school systems to return to hybrid instruction no later than March 1. | | Maryland Strong: Road to Recovery | November 2020 Elective Procedure Guidance | Recommendation - All Travelers (updated 11/2/0) | Maryland Vaccination Plan | Governors of Maryland, Louisiana, Massachusetts, Michigan, Ohio, and Virginia Announce Major Republican Interstate Compact For Three Million Rapid Antigen Tests Governor Hogan, State Superintendent, Call On Maryland Schools to Reopen for Hybrid In-Person Learning By March 1 |
| Massachusetts (MA) | Advisory expired 5/4/2020 | January 21, 2021 – Governor Baker announced Massachusetts will begin a "gradual easing" of COVID-19 restrictions on businesses. Beginning January 25, the stay at home order that included a 10 p.m. to 5 a.m. curfew will be rescinded, and the 9-30 p.m. curfew on businesses will be lifted. A 25 percent capacity limit will stay in place until at least February 8. | NE Regional | Reopening Advisory Board | As of May 18, hospitals and community health centers, upon attestation, can provide high-priority preventative care, pediatric care and treatment for high-risk patients and conditions. Further, as of May 15, additional healthcare providers can provide these same limited services upon attestation. During phase two, the plan calls for expanded ambulatory-in-person routine care to resume. | COVID-19 Travel Order | Massachusetts Vaccination Plan | Mandatory Safety Standards for Workplaces Baker says statewide stay-at-home order, 9:30 p.m. curfew for businesses, will be lifted Monday (WCVB) |
| Michigan (MI) | Expired 5/28/2020 | January 13, 2021 – Governor Whitmer in a press briefing announced a new order to allow reopening of additional activities such as group exercise and non-contact sports. Indoor dining at bars and restaurants remains paused but the "working plan" is to reopen dining with mitigation measures, capacity limits, and a curfew on February 1. | Midwest Partnership | MI Safe Start | Governor Whitmer issued an executive order stating that beginning May 29, elective procedures may resume. | | Michigan Vaccination Plan | Safe Behavior for Safe Workplaces New MDHHS Epidemic Order Allows Indoor Group Exercise, Non-Contact Sports |
| Minnesota (MN) | Expired 5/18/2020 | January 18, 2021 – Governor Walz announced Minnesota is launching a COVID-19 vaccine pilot program and will partner with local public health and school districts. The community vaccination pilot program will be the foundation for mass vaccination clinics in Minnesota communities once the federal government increases vaccine supply. The nine pilot sites will launch this week with a small number of doses for eligible Minnesotans. | Midwest Partnership | | Governor Walz signed an executive order permitting hospitals, ambulatory surgery centers, and clinics – including dental facilities – to resume certain procedures, provided they follow certain protocols. | | Minnesota Vaccination Plan | As Governor Walz Calls for Further Supply from Federal Government, Minnesota Launches COVID-19 Vaccine Pilot Program |
| Mississippi (MS) | Expired 4/27/2020 | January 20, 2021 – Governor Reeves stated more than 105,000 residents have received a first dose of the COVID-19 vaccine and more than 9,000 residents are fully vaccinated. | | Commission for Economic Recovery | On July 7, a Mississippi state health officer announced an order to roll back elective procedures in certain counties, including Jones, Hinds, Madison, Forrest, Washington and Rankin. Elective procedures had previously been allowed to resume beginning April 24. | | Mississippi Vaccination Plan | More COVID-19 vaccines in MS available: Reeves shares progress, takes shot as Biden plan (Clarion Ledger) |
| Missouri (MO) | Expired 5/3/2020 | January 20, 2021 – Governor Parson announced he will utilize the Missouri National Guard to assist the Department of Health and Senior Services and other state partners in establishing COVID-19 vaccination sites across the state. | | "Show Me Strong" Recovery Plan | Elective surgeries began to resume at hospitals across Missouri in May. | | Missouri Vaccination Plan | GOV/PNDP PARSON ANNOUNCES MASS VACCINATION, TARGETED VACCINATION SITES ACROSS THE STATE |

| | | | | | | | |
|---------------------|---|--|--|--|--|-----------------------------------|---|
| Montana (MT) | Expired 4/27/2020 | January 19, 2021 – Governor Gianforte announced the state moved to Phase 1B of its COVID-19 vaccine plan. In Phase 1B, residents 70 and older, those 56 to 69 with a high-risk medical condition, and those that may be at an elevated risk for COVID-19 complications may receive a vaccine. | Reopening the Big Sky | Hospitals voluntarily paused elective procedures in March due to COVID-19, however, certain hospitals resumed some elective procedures beginning in May. | Montana Vaccination Plan | Governor's Coronavirus Task Force | MONTANA MOVES TO PHASE 1B OF VACCINE DISTRIBUTION |
| Nebraska (NE) | No order | January 22, 2021 – Governor Ricketts announced the state is preparing to enter into Phase 1B of its vaccine plan. During a news conference, state officials indicated Nebraska is seeing a slight uptick in vaccine allotments. Phase 1B prioritizes those 65 and older. | Nebraska Business Task Force | As of December 23, 2020, elective surgeries may resume without restriction. | Nebraska Vaccination Plan | | Nebraska preparing for COVID-19 vaccination expansion (NDWT) |
| Nevada (NV) | No set date | January 14, 2021 – Governor Sisolak in a press briefing announced he will extend the statewide pause for an additional 30 days following a surge in COVID-19 cases resulting from the holiday season. The statewide test positivity rate 14-day average is hovering around 21.1 percent. | Western States Part Nevada United Roadmap to Recovery | On April 28, Governor Sisolak announced that the Nevada Hospital Association may prepare to resume medically necessary procedures that were halted to support COVID-19 efforts. Nevada did not previously restrict elective procedures; however, individual communities had restricted them. Nevada hospitals will provide medically necessary procedures according to an established plan to safely phase them in, based on several factors. | Nevada Vaccination Plan | | Gov. Sisolak extends statewide pause, announces updated Nevada COVID-19 vaccine playbook (FOX 4) |
| New Hampshire (NH) | Expired 6/15/2020 | January 19, 2021 – Governor Sununu announced the state will begin accepting appointments for vaccinations under Phase 1B on January 22. Phase 1B prioritizes those 65 and older, medically vulnerable individuals and those in congregate care settings, corrections officers and staff and those that experience health disparities. | | The "Stay-at-Home 2.0" plan set a timeline that lifted restrictions on elective and non-emergent healthcare services beginning May 4. | Recommendation - All Travelers | New Hampshire Vaccination Plan | Phase 1B Vaccination Scheduling to Begin Friday |
| New Jersey (NJ) | No set date | January 19, 2021 – Governor Murphy extended the public health emergency in New Jersey for an additional 30 days. | NE Regional Governor's Restart and Recovery Commission | On May 15, the New Jersey Department of Health issued guidance for ambulatory surgery centers to resume elective surgery and invasive procedures and a separate guidance for hospitals to resume elective surgeries. | As of November 25, New Jersey strongly encourages a 14-day quarantine for any nonessential interstate travel, excluding immediate region travel (New York, Connecticut, Pennsylvania and Delaware). | New Jersey Vaccination Plan | The Road Back: Restoring Economic Health Through Public Health Governor Murphy Signs Executive Order Extending Public Health Emergency in New Jersey |
| New Mexico (NM) | Expired 5/31/2020 | January 18, 2021 – New Mexico state health officials announced 628 new COVID-19 cases and 26 additional deaths. | Economic Recovery Council | The New Mexico Secretary of Public Health previously prohibited elective procedures across the state. The order is to stay in effect until the state of emergency in New Mexico is over. Under the reopening guidelines issued May 21 by the New Mexico Medical Advisory Team, office procedures that are cosmetic and procedures that can be delayed for 90 days in patients without pain, disability or increased challenge to treat should continue to be avoided. | Mandatory Quarantine Except Travelers from Low-Risk States | New Mexico Vaccination Plan | Public Health Order New Mexico COVID-19 update: 628 new cases, totaling 164,263 – Twenty-six additional deaths. |
| New York (NY) | Expired 5/15/2020 | January 22, 2021 – Governor Cuomo announced New York was slated to completely run out of vaccines, as 28,246 doses remained. Governor Cuomo stated they are "operating on a week-to-week basis." | NE Regional Phased Plan to Reopen New York | Governor Cuomo announced beginning April 28, hospitals may resume elective outpatient treatments if the hospital capacity is over 25 percent for the county and if there have been fewer than 10 new hospitalizations of COVID-19 patients in the county over the preceding 10 days. Over the last several weeks, Governor Cuomo has gradually lifted restrictions on elective procedures in certain counties. | Governor Cuomo announced travelers may "test out" the mandatory 10-day quarantine for asymptomatic individuals. Travelers from states that are contiguous with New York are exempt, however they must continue to fill out the Traveler Health Form. | New York Vaccination Plan | Members of New York Forward Re-Opening Advisory Board New York COVID vaccine doses dwindle, as Cuomo calls on feds to step up supply (NY Daily News) |
| North Carolina (NC) | Expired 5/8/2020 | January 22, 2021 – In an interview, Governor Cooper announced he has a goal to administer 120,000 COVID-19 vaccinations per week beginning next week. | Path Forward for North Carolina | The Secretary of the North Carolina Department of Health and Human Services issued a letter to hospital and ambulatory surgery centers stating that effective May 1, elective and non-urgent procedures could resume in accordance with North Carolina Healthcare Association guidance on reopening facilities to provide non-emergent, non-COVID-19 healthcare. The letter and guidance require certain protections for healthcare workers, policies on PPE, and a defined COVID-19 testing process, in addition to other restrictions. | | North Carolina Vaccination Plan | North Carolina Three Phase Plan Gov. Cooper on vaccination process: "There's not nearly enough vaccine to go around" (ABC 11) |
| North Dakota (ND) | No order, but certain non-essential businesses resumed operations 4/30/2020 | January 15, 2021 – Governor Burgum announced in a press briefing that North Dakota is experiencing a downward trend in case numbers and stated he will modify an executive order limiting capacity for bars, restaurants and event venues effective January 18. The modified order will move protocols to simply guidelines and recommendations. Governor Burgum noted he is supportive of locally enacted protocols, which residents must follow. | Qualify for Path Forward for Reopening | Governor Burgum expressed his belief decisions on elective procedures should be made by hospitals themselves. Most hospitals across the state have resumed elective procedures. | | North Dakota Vaccination Plan | Burgum urges vigilance against COVID-19; mask requirement expires Monday (KFPTV) |
| Ohio (OH) | Expired 5/29/2020 | January 21, 2021 – Governor DeWine in a press conference announced Ohio will purchase 2 million at-home rapid COVID-19 test kits. Moreover, he noted he will extend the state's 10 p.m. to 5 a.m. curfew. | Midwest Partnership Responsible Restart Ohio | Beginning May 1, all medically necessary procedures that do not require an overnight stay or hospital admission and which minimize the use of PPE may move forward under certain conditions. | Mandatory Quarantine for Visitors from a State with 15% or More Positivity Rate | Ohio Vaccination Plan | Ohio 2020 Economic Recovery Task Force COVID-19 Update: Phase 1B Vaccinations, Rapid Test, Curfew, Extension |
| Oklahoma (OK) | Expired 5/6/2020 | January 12, 2021 – Governor Stitt in the first news conference of the year announced a new policy for schools that enforce the wearing of facial coverings. Under the policy, schools will now not be required to quarantine people potentially exposed to COVID-19 unless the individual is experiencing symptoms. He added the state is working toward vaccinating teachers 65 and older as soon as this week. | Open Up and Recover Safely | On June 15, the prohibition on elective procedures was lifted as long as facilities and providers abide by certain requirements. | | Oklahoma Vaccination Plan | Oklahoma governor announces new COVID-19 policies for schools in effort to fill classrooms (FOX 23) |

|---------------------|-------------------|--|-------------------------------------|---|---|---|---|---|---|
| Oregon (OR) | No set date | January 22, 2021 – Governor Brown defended her decision to prioritize teachers in the COVID-19 vaccine distribution plan. The Oregon Health Authority released a newer, more specific timeline for vaccinating Oregon teachers and seniors. Teachers are eligible on January 25, while seniors 80 and older will be eligible the week of February 7. | Western States Pact | Reopening Oregon | On May 1, Governor Brown announced a framework for lifting restrictions on non-urgent procedures if providers meet certain COVID-19 metrics. | | Oregon Vaccination Plan | Oregon Guidance for Frontlines on COVID-19 | Gov. Brown defends decision to prioritize Oregon's teachers over seniors for COVID-19 vaccines (KOBV) |
| Pennsylvania (PA) | Expired 5/8/2020 | January 20, 2021 – Governor Wolf announced the availability of one-time \$600 pandemic relief grants for child care workers across the state. The funds are made available through the federal CARES Act. | NE Regional | Plan for Pennsylvania | Providers can resume non-urgent elective care and urgent and emergency care beginning May 9, but only where appropriate PPE is available and telemedicine is not clinically sufficient. | COVID-19 Travel Info | Pennsylvania Vaccination Plan | Process to Reopen Pennsylvania | Wolf Administration Announces \$600 Pandemic Relief Awards to Eligible Child Care Employees Across Pennsylvania |
| Puerto Rico (PR) | No order | January 6, 2021 – Newly elected Governor Pierluisi announced the loosening of restrictions, including lifting the weekly Sunday lockdown. Under the new orders, beaches may reopen and the curfew is now 11 p.m. to 5 a.m. Other capacity limits at restaurants and museums will remain in effect. | | Economic Task Force | An executive order issued by Governor Vázquez Garced on May 4 noted hospitals and medical facilities are permitted to perform elective procedures subject to the adoption of safety protocols. | | | | Puerto Rico Will Reopen Its Beaches and Ease COVID-19 Lockdown Restrictions (Travel + Leisure) |
| Rhode Island (RI) | Expired 5/8/2020 | January 20, 2021 – Governor Raimondo signed an executive order permitting moderate and lower risk sports to resume practices, competitions and games. All sports teams and groups remain prohibited from participating in any activity with out-of-state teams or sporting groups, except for professional and intercollegiate athletic programs. | NE Regional | | On May 9, Governor Raimondo issued an executive order permitting elective procedures to resume if the healthcare providers submit plans for reopening. On June 8, 2020, the Rhode Island Department of Health issued updated guidance for ASCs on healthcare delivery during the pandemic. | Mandatory Department of Health Statement - Certain Travelers* | Rhode Island Vaccination Plan | Reopen RI | Executive Order 21-07 |
| South Carolina (SC) | Expired 5/3/2020 | January 20, 2021 – South Carolina is experiencing a 24.9% test positivity rate. Moreover, Harris Teeter announced it will begin offering vaccinations at its stores across the country soon and will begin in South Carolina. | | AccelerateSC Advisory Team | | Recommendation - All Travelers Coming from Hot Spot Areas | South Carolina Vaccination Plan | Executive Order No. 2020-28 | COVID vaccine live updates: Here's what to know in South Carolina on Jan. 20 (The State) |
| South Dakota (SD) | No order | January 20, 2021 – Governor Noem announced she will introduce two pieces of legislation to codify executive orders that originally provided flexibility to healthcare providers in response to COVID-19. The two pieces of legislation cover telehealth and recognition of out-of-state healthcare licenses. | | Back to Normal Plan | Governor Noem issued an executive order lifting restrictions on elective procedures which highlights certain requirements for healthcare facilities and providers to resume elective procedures. | | South Dakota Vaccination Plan | | Governor Noem Introduces Legislation to Codify Healthcare Flexibilities |
| Tennessee (TN) | Expired 4/30/2020 | January 19, 2021 – Governor Lee signed a new executive order lifts the 10-person indoor gathering limit set in place for the holidays and continuing several other measures related to sporting events. | | Economic Recovery Group | Elective procedures may resume on May 1, as long as certain guidelines are followed. | | Tennessee Vaccination Plan | Phased Reopening Plan | Gov. Lee issues new executive order lifting some restrictions on social gatherings, sporting event attendance (WMC) |
| Texas (TX) | Expired 4/30/2020 | January 22, 2021 – Governor Abbott dedicated 1 million rapid COVID-19 test kits to front line workers at small businesses across the state. January 19, 2021 – Governor Abbott stated Texas has administered over 1.3 million doses of the COVID-19 vaccine. | | Governor's Strike Force to Open Texas | On September 17, Governor Abbott re-authorized elective procedures for the majority of Texas. | | Texas Vaccination Plan | Texas Helping Texans: The Governor's Report to Open Texas | Governor Abbott expands COVID-19 rapid testing program for front line workers of small businesses (KCBD) |
| Utah (UT) | No order | January 21, 2021 – Governor Cox provided an update on the state's COVID-19 vaccine plans. The state has administered 196,405 total doses of the COVID-19 vaccine and has used 97% of its supply within the 7-day timeframe permitted. | | Utah Leads Together | A state public health order noted that some elective procedures may resume beginning April 21. Healthcare providers and facilities must follow certain requirements and guidelines. | | Utah Vaccination Plan | GOVERNOR MAINTAINS CURRENT HEALTH RISK GUIDANCE | WATCH: GOV. SPENCER COX GIVES VACCINE UPDATE AT FIRST MONTHLY NEWS CONFERENCE |
| Vermont (VT) | Expired 5/15/2020 | January 22, 2021 – Governor Scott announced registration for individuals 75 years and older to receive a COVID-19 vaccine will begin on January 25th. | | Economic Mitigation and Recovery Taskforce: Restart VT Team | On May 4, Governor Scott announced some elective procedures may resume. Outpatient clinic visits and diagnostic imaging may resume immediately if providers demonstrate adherence to physical distancing, CDC guidelines and safe environments. Providers may also perform outpatient surgeries and procedures that have minimal impact on inpatient bed capacity and PPE levels, including those performed at ASCs. Additional screenings and procedures must be in place. | Cross State Travel Information | Vermont Vaccination Plan | Work Smart & Stay Safe - Reopen VT - Phase 3 | VT vaccination registration details for 75+ to be released Monday (WVAX) |
