

State	Stay at Home Order Expiration (if applicable)	Recent Reopening Actions (if applicable)	Regional Reopening Planning Group (if applicable)	Reopening Plans and Task Forces	Recent Actions on Elective Procedures (if applicable)	State Travel Restrictions and Quarantine Requirements (if applicable)	Link to Vaccination Plan	Additional Documents and Items	For Further Information, See:
Alabama (AL)	Expired 4/30/2020	January 29, 2021 – Governor Ivey announced the Alabama Department of Public Health will extend eligibility for COVID-19 vaccinations to those 65 or older. Moreover, the vaccine will now be available to additional frontline workers - notably, those groups eligible are: first responders, corrections officers, food and agriculture workers, USPS workers, manufacturing workers, grocery store employees, public transit workers, school staff, childcare employees, and judiciary staff (including but not limited to circuit and district judges and district attorneys).		Reopening Alabama Responsibly	Dental, medical, or surgical procedures may proceed beginning April 28 unless the State Health Officer determines that performing such procedures would unacceptably reduce access to PPE or other resources necessary to diagnose and treat COVID-19.		Alabama Vaccination Plan	Taskforce to Support Economic Recovery	COVID-19 vaccination eligibility expanded in Alabama to include persons ages 65, through 74 and others
Alaska (AK)	Expired 4/24/2020	February 5, 2021 – The state reported 163 additional COVID-19 cases.		Reopen Alaska Responsibly	Health Mandate 15: Surgeries and intensive procedures are permitted to proceed beginning April 21 if further delay is deemed to cause significant impact on health, livelihood, or quality of life. Certain conditions are required to be met before procedures can resume.	Mandatory Health Mandate - All Air Travelers*	Alaska Vaccination Plan		Data Dashboard
Arizona (AZ)	Expired 5/15/2020	February 3, 2021 – Governor Ducey sent a letter to the Arizona congressional delegation calling for additional COVID-19 vaccine supplies. The State of Arizona recently requested an additional 300,000 doses of the vaccine, and an additional 300,000 doses a week, but the request was denied.			The Arizona Department of Health issued a June 6 letter directing hospitals to fully activate their emergency plans. Elective procedures were permitted to resume May 1, however, due to increasing numbers of COVID-19 cases, the Department ordered hospitals reduce or suspend elective procedures to ensure adequate bed capacity for both COVID-19 and non-COVID-19 patients.		Arizona Vaccination Plan	Guidance for Holiday Gatherings	Governor Ducey Pushes For More Vaccine Doses in Letter To Congressional Delegation
Arkansas (AR)	Expired 5/4/2020 (no stay at home order, but this is the date by which the governor lifted some restrictions on businesses)	February 3, 2021 – Governor Hutchinson announced he will allow the 11 p.m. curfew in place for bars and restaurants that serve alcohol to expire, citing decreasing COVID-19 cases.		Economic Recovery Taskforce	ADH Directive on Elective Surgeries: Elective surgeries that are not expected to require overnight hospitalization may resume April 27. Elective dental procedures are permitted to resume June 15.		Arkansas Vaccination Plan	Governor Announces New COVID-19 Advisory Board To Review Testing Contact-Tracing Technology	Gov. Hutchinson lifts 11 p.m. bar curfew, (4/29 News)
California (CA)	Current stay at home order in place; Regional stay at home order in effect for at least three weeks for any region which experiences an ICU capacity rate of less than 15 percent	February 3, 2021 – Governor Newsom and the Biden-Harris Administration announced a pilot project to establish community vaccination sites in Oakland and Los Angeles. The sites are part of the effort to establish 100 vaccination sites nationwide in the federal administration's first 100 days. The sites will be co-run by the Federal Emergency Management Agency (FEMA) and the State of California through the Governor's Office of Emergency Services. FEMA will provide resources, federal staffing, and operational support for the sites.	Western States Pact	California's Roadmap to Modify the Stay-at-Home Order	On January 5, CDPH issued a public health order requiring some non-essential and non-life-threatening surgeries to be delayed in counties with 10 percent or less of ICU capacity under the Regional Stay at Home Order where the regional ICU capacity is at 0 percent.	Travel Advisory	California Vaccination Plan	State Public Health Officer Order (January 5, 2021)	Governor Newsom Announces Pilot Partnership with Biden Administration to Open Community Vaccination Sites in Los Angeles, Oakland
Colorado (CO)	Expired 4/26/2020	February 2, 2021 – Governor Polis in a news conference announced Colorado is halfway to its goal of vaccinating those 70 and older, and those that have not yet been vaccinated but are 70+ will receive a vaccine in February. The state will begin vaccinating those 65 and up beginning February 8. Moreover, Governor Polis announced a second round of Colorado Winter Outdoor Dining grants for restaurants to implement safe solutions for winter weather. February 1, 2021 – Governor Polis announced the seventh round of grants through the COVID Relief Fund. The seventh round provided \$3,875,700 in funding to 140 community-based organizations serving residents disproportionately impacted by the pandemic.	Western States Pact	Governor's Council on Economic Stabilization and Growth	Governor Polis issued several executive orders allowing elective procedures to resume provided the facility providing the service follows outlined protocols. On June 24, the Governor issued an updated executive order effective for 30 days, extending the prior executive order allowing elective procedures.		Colorado Vaccination Plan	Key Indicators to Inform Social Distancing Guidance	"You will get it in February": Gov. Polis assures those 70+ will get vaccinated soon (KDVR)
Connecticut (CT)	Expired 5/20/2020	February 2, 2021 – Governor Lamont announced an additional \$40 million in funding for Connecticut's acute care hospitals to help them respond to the COVID-19 pandemic. The funds will be distributed to non-governmental, short-term general hospitals that meet certain requirements based on applicable costs and expenses incurred as a result of the pandemic. February 1, 2021 – Governor Lamont announced businesses and restaurants may now remain open until 11 p.m. Restaurants are still capped at 50 percent capacity.	NE Regional	Reopen Connecticut Advisory Group	Hospitals began resumption of elective surgeries in May.	Connecticut requires anyone traveling into Connecticut from a state or territory other than New York, New Jersey, or Rhode Island, or from a country other than the United States, to self-quarantine for a 10-day period from the time of last contact with the identified state or country.	Connecticut Vaccination Plan		Governor Lamont Allocates \$40 Million To Connecticut's Hospitals To Support Ongoing COVID-19 Response Efforts
Delaware (DE)	Expired 5/15/2020	February 4, 2021 – Governor Carney issued a sixth modification to his State of Emergency declaration. Effective February 12, restaurants, retail, gyms, houses of worship, and arts venues are capped at 50 percent capacity. Youth and amateur sports tournaments may resume with an approved plan by the Division of Public Health. Under the modified order, vaccination providers must offer the vaccine free of charge, though insurance information may be collected, and they must report complete demographic information within 34 hours of administering a vaccine to the Delaware Immunization Information System (DEIAS). February 2, 2021 – Governor Carney announced an expansion of the state vaccination program with a focus on vaccinating residents in underserved, minority communities. District of Columbia (DC)	Expired 6/8/2020	February 3, 2021 – District officials reported 166 new COVID-19 cases and six additional deaths.		Reopen DC	The District of Columbia Department of Health issued guidance for resuming elective non-emergency surgeries starting on May 26 with Phase 1 of reopening. On June 15, the Department updated Phase 2 guidance for elective procedures.	Travel Status Update	District of Columbia Vaccination Plan		Coronavirus Data for February 3, 2021
Florida (FL)	Expired 5/4/2020	February 4, 2021 – Governor DeSantis announced an inter-faith vaccine event at the Aventura Turnberry Jewish Center. Moreover, the state is initiating a pilot program to deliver vaccines to homebound seniors - beginning with Holocaust survivors residing in Florida. February 3, 2021 – Governor DeSantis announced local governments may now apply for the Community Development Block Grant - Coronavirus Relief Program. The \$92 million program is designed to help local governments prepare, prevent and respond to the health and economic impacts of COVID-19.		Re-Open Florida Task Force	Executive Order 10-112: Effective May 4, procedures may resume under certain conditions. However, hospitals in South Florida have announced they will be postponing elective procedures due to rising COVID-19 cases. More regions are expected to follow suit. Georgia (GA)	Expired 4/30/2020, but certain businesses were allowed to open starting 4/24/2020	February 3, 2021 – Governor Kemp announced Georgia has administered more than 1 million COVID-19 vaccines and has given 500,000 seniors at least one dose of the vaccine.			Governor Kemp's announcement on a phased reopening of the state's economy noted healthcare providers had voluntarily suspended elective procedures. However, the Governor expressed his belief that the state was positioned to obtain the necessary PPE and medical supplies to resume elective procedures.		Georgia Vaccination Plan		More than 1 million COVID-19 vaccines given out so far, Gov. Kemp says (WSBT)

Hawaii (HI)	Expired 5/31/2020	February 4, 2021 – State officials announced 107 new COVID-19 cases and two additional deaths.		Economic and Community Recovery and Resiliency Plans	Gov. Ige previously issued Executive Order 20-25 ordering all healthcare facilities and providers to render assistance in support of the state's response to the COVID-19 pandemic. The term "render assistance" includes canceling or postponing elective surgeries and procedures as each facility determines appropriate under the circumstances. The governor's sixth supplementary proclamation restates the prior elective procedure executive order, which includes canceling or postponing elective surgeries; however, media reports indicate the governor may relax elective procedure prohibitions.	Pre-Travel Testing Program Details	Hawaii Vaccination Plan		HAWAII COVID-19 JOINT INFORMATION CENTER DAILY NEWS DIGEST FEB. 4, 2021
Idaho (ID)	Expired 4/30/2020	February 2, 2021 – Governor Little announced the state will move to Stage 3 of the Idaho Rebounds plan, citing improving health metrics. Under Stage 3, gatherings are limited 50 people, face coverings are strongly recommended (mandatory in long-term care facilities), and bars, restaurants and nightclubs are to operate with seating only. Illinois (IL)	Expired 5/30/2020	February 4, 2021 – The Illinois Department of Public Health announced 80 new vaccination sites across the state. Moreover, Region 4 will move to Phase 4 of the Restore Illinois Plan, effective February 4. February 3, 2021 – The Illinois Department of Commerce and Economic Opportunity announced a new training program designed to match residents who have become unemployed or underemployed during the pandemic with training for careers in supply chain management. The program is in partnership with the Association for Supply Chain Management.	Midwest Partnership	COVID-19 Campus Reopening Committee	Department of Health Guidance: Beginning May 11, hospitals may begin to perform procedures, provided that specific criteria have been met. On May 13, Governor Pritzker issued an executive order that essentially incorporates the Illinois Department of Public Health's prior mandates and requirements for the performance of elective procedures.	14-Day Quarantine for Visitors to Chicago from Certain States	Illinois Vaccination Review		80 New COVID-19 Vaccination Locations Added
Indiana (IN)	Expired 5/4/2020	February 4, 2021 – The state reported 1,529 new COVID-19 cases and 49 additional deaths.	Midwest Partnership	Back on Track Indiana	Executive Order: Beginning April 27, hospitals can resume elective procedures, provided the facility has sufficient PPE and meets several conditions. Note: As of November 4, elective procedures are halted in certain regions and hospitals to ease the burden on hospital staff.		Indiana Vaccination Plan		Indiana COVID-19 Data Report
Iowa (IA)	Expired 4/20/2020	February 4, 2021 – Governor Reynolds addressed ongoing issues with COVID-19 vaccine distribution. She announced the state will help counties better distribute the vaccine and will work to create a centralized distribution method to increase efficiency. Moreover, Governor Reynolds stated she will request more vaccines from the federal government.			New Proclamation of Disaster Emergency: Beginning April 27, outpatient surgeries may resume, and inpatient surgeries may resume if they pose a significant risk to quality of life if further delayed.	Recommendation - All Travelers	Iowa Vaccination Plan		Gov. Reynolds vows to ask for more COVID-19 vaccines (KCCI)
Kansas (KS)	Expired 5/3/2020	February 3, 2021 – Governor Kelly announced the launch of the "Find My Vaccine" mapping tool which helps residents locate vaccination sites in their communities.		Ad Astra: A Plan to Reopen Kansas		14-Day Quarantine Requirement Under Certain Conditions	Kansas Vaccination Plan	SPARK Task Force	Governor Laura Kelly Announces Kansas Find My Vaccine Tool
Kentucky (KY)	No set date; phased opening as of 5/13	February 4, 2021 – Governor Beshear in a press conference reported the lowest positivity rate, at 8.37 percent, since December 28, 2020. Additionally, four new vaccine sites were announced. February 2, 2021 – Governor Beshear announced Kentucky will receive a 5 percent increase in its vaccine allotment. In total, the state's supply will increase 22 percent the week of February 8 compared with the week of January 25.	Midwest Partnership		Cabinet for Health "Kentucky Healthcare Reopening": On May 27 following a phased reopening of healthcare services, elective procedures may resume provided the facility meets certain conditions.		Kentucky Vaccination Plan	2 Benchmarks to Reopen Commonwealth's Economy	Gov. Beshear reports lowest positivity rate since Dec. 28; announces new regional vaccine sites (WKYT)
Louisiana (LA)	Expired 5/15/2020	February 4, 2021 – Governor Edwards announced Louisiana will begin vaccinating residents between 65 and 69 years old on February 8.		Resilient Louisiana Commission	The Louisiana Department of Health issued an order, effective June 5 through July 5, 2020, noting that medical and surgical procedures are based on the needs of the patient, which must be documented in the medical record, as long as the provider meets the order's requirements.		Louisiana Vaccination Plan		Gov. Edwards Announces COVID-19 Vaccine Eligibility Expands to People 65 through 69 on Monday, February 8
Maine (ME)	Expired 5/31/2020	February 5, 2021 – State officials announced 267 new COVID-19 cases and 2 additional deaths.		Plan to Restart Maine's Economy	Beginning May 1, hospitals and facilities may resume elective procedures and routine appointments under strict guidelines.	Mandatory - Certain Travelers*	Maine Vaccination Plan	Economic Recovery Committee	267 newly recorded cases of coronavirus, 2 more deaths reported by Maine CDC (WABN)
Maryland (MD)	Expired 5/15/2020	February 5, 2021 – Governor Hogan announced an additional \$123 million in funding for Maryland's local health departments. The state also opened mass vaccination sites in Prince George's County and Baltimore City. Utah (UT)	No order	February 4, 2021 – Governor Cox announced residents 65 and older will become eligible to receive a COVID-19 vaccine on March 1. Residents with certain significant comorbidities will also be eligible beginning March 1.	Utah Leads Together	A state public health order noted that some elective procedures may resume beginning April 21. Healthcare providers and facilities must follow certain requirements and guidelines.	Utah Vaccination Plan	GOVERNOR MAINTAINS SUBSTANTIAL TO-THE-BLOCK GUIDANCE	Gov. Cox: Utahns 65 and older can get COVID-19 vaccine in March - 1,772 new cases, 14 deaths reported Thursday (KSU)
Vermont (VT)	Expired 5/15/2020	February 3, 2021 – Governor Scott announced the Vermont Agency of Transportation will receive more than \$26 million in federal funding through CRRSAA to support public transit across the state.	Economic Mitigation and Recovery Taskforce: Restart VT Team	On May 4, Governor Scott announced some elective procedures may resume. Outpatient clinic visits and diagnostic imaging may resume immediately if providers demonstrate adherence to physical distancing, CDC guidelines and safe environments. Providers may also perform outpatient surgeries and procedures that have minimal impact on inpatient bed capacity and PPE levels, including those performed at ASCs. Additional screenings and procedures must be in place.	Cross State Travel Information	Vermont Vaccination Plan	Work Smart & Stay Safe – Reopen VT: Phase 1
Virginia (VA)	Expired 6/10/2020	February 5, 2021 – Governor Northam announced all Virginia public schools will be required to offer in-person learning by March 15. Governor Northam stated the majority of educators will have had the option to get the vaccine by mid-March.	COVID-19 Business Taskforce	On May 1, Governor Northam announced all elective procedures may resume pursuant to certain requirements. Washington (WA)	Expired 5/31/2020	February 3, 2021 – Governor Inslee sent a letter to the Washington Education Association which maintained educators do not need to receive increased priority for COVID-19 vaccines.	Western States Pact Washington's Recovery Plan	Elective procedures are permitted to resume May 18 under certain conditions. On June 10, the Washington State Department of Health released a situation report on the increased COVID-19 transmission in western and eastern Washington. Given the governor's proclamation issued May 18, each region should be assessed prior to restarting elective procedures.	Washington Vaccination Plan	Updated Vaccination Plan 3/28/21	Gov. Inslee urges teachers to go back to the classroom, not wait for vaccinations (KSNV)
West Virginia (WV)	No set date	February 3, 2021 – Governor Justice announced West Virginia will receive an additional 2,500 - 3,000 COVID-19 vaccines per week from the federal government.	West Virginia Strong - The Comeback	More urgent elective procedures may resume beginning April 20, pursuant to state approval.	West Virginia Vaccination Plan		COVID-19 UPDATE: Gov. Justice announces West Virginia to receive increase in weekly allocation of vaccine doses
Wisconsin (WI)	Expired 5/26/2020	February 4, 2021 – Governor Evers issued a new statewide mask mandate after the state legislature repealed his previous mask order earlier in the day. Speaker Robin Vos and Senate Majority Leader Devin LeMahieu maintain Governor Evers has "abused his limited authority for far too long by repeatedly issuing unlawful orders beyond his 60-day emergency powers."	Midwest Partnership	Wisconsin has not yet prohibited elective surgeries. Guidance from the Wisconsin Department of Health, DPH Numbered Memo 2020-14 does recommend that dental practices postpone all elective and non-urgent care treatment.	Wisconsin Vaccination Plan	Badger Bounce Back Plan	Wisconsin's Legislature repealed Gov. Tony Evers' mask mandate. He issued a new one. (NBC)
Wyoming (WY)	Expired 5/26/2020	February 4, 2021 – State health officials reported 180 additional COVID-19 cases.	Governor Gordon's Reopening Plan	While the Wyoming governor and the Department of Health did not prohibit elective procedures, the Department of Health issued guidance on resuming elective and non-emergent procedures for those hospitals and providers that had suspended the procedures per CMS guidance.
