Vermont (VT)	Expired 5/15/2020	<p>March 31, 2021 – The Governor's office released the following statement to clarify residency requirements for COVID-19 vaccine eligibility: "It is important to note that registration for Vermont residents in the 16-29 age band is scheduled to open on April 19. Since the beginning of the vaccination program, residency, for the purposes of vaccine eligibility, has been defined to include anyone who has moved to Vermont within the last six months, with the intention of becoming a resident and who is in an age group, occupation or another group that is currently eligible. This includes college students who intend to stay in Vermont this summer. College students who are residents of another state, and who do not intend to stay in Vermont for the summer, do not meet the current residency requirement at this time." They expect to expand eligibility to college students who do not meet residency requirements on April 30.</p>		<p>Economic Mitigation and Recovery Taskforce, Restart VT Team</p>	<p>On May 4, Governor Scott announced some elective procedures may resume. Outpatient clinic visits and diagnostic imaging may resume immediately if providers demonstrate adherence to physical distancing, CDC guidelines and safe environments. Providers may also perform outpatient surgeries and procedures that have minimal impact on inpatient bed capacity and PPE levels, including those performed at ASCs. Additional screenings and procedures must be in place.</p>	Vermont Travel and Quarantine Information	Vermont Vaccination Plan Updated 12/28/2020	<p>STATEMENT FROM THE OFFICE OF GOVERNOR PHIL SCOTT ON VERMONT RESIDENCY AND COLLEGE STUDENTS</p>
