

State	Recent Reopening Actions (if applicable)	Regional Reopening Planning Group (if applicable)	Reopening Plans and Task Forces	Recent Actions on Elective Procedures (if applicable)	State Travel Restrictions and Quarantine Requirements (if applicable)	Link to Vaccination Plan	Additional Documents and Items	For Further Information, See:
Alabama (AL)	March 4, 2021 – Governor Ivey extended Alabama's Safer at Home Order until April 9. The Order includes a statewide mask mandate.		Reopening Alabama Responsibly	Dental, medical, or surgical procedures may proceed beginning April 28 unless the State Health Officer determines that performing such procedures would unacceptably reduce access to PPE or other resources necessary to diagnose and treat COVID-19.		Alabama Vaccination Plan		<a href="#">Governor Ivey Extends Safer at Home Order</a>
Alaska (AK)	March 3, 2021 – Governor Dunleavy announced the expansion of the state's COVID-19 vaccine eligibility to include people 55 and older.		Reopen Alaska Responsibly	Health Mandate 15: Surgeries and intensive procedures are permitted to proceed beginning April 21 if further delay is deemed to cause significant impact on health, livelihood, or quality of life. Certain conditions are required to be met before procedures can resume.	Notice to Travelers Arriving in Alaska- Updated Feb. 14, 2021	Alaska Vaccination Plan		<a href="#">Vaccine Expansion Set To Accelerate Alaska's Recovery</a>
Arizona (AZ)	March 3, 2021 – Governor Ducey issued a new Executive Order requiring schools to offer in-person learning by March 15.			The Arizona Department of Health issued a June 6 letter directing hospitals to fully activate their emergency plans. Elective procedures were permitted to resume May 1, however, due to increasing numbers of COVID-19 cases, the Department ordered hospitals reduce or suspend elective procedures to ensure adequate bed capacity for both COVID-19 and non-COVID-19 patients.		Arizona Vaccination Plan		<a href="#">Governor Ducey Issues Executive Order Requiring Schools To Offer In-Person Learning</a>
Arkansas (AR)	March 4, 2021 – The Arkansas Supreme Court ruled judges and other court staff must be included in Phase 1B eligibility and are eligible to receive the vaccine immediately. Governor Hutchinson released a statement opposing this ruling, stating there are not enough vaccines at the moment and that group will have to wait.		Economic Recovery Taskforce	ADH Directive on Elective Surgeries: Elective surgeries that are not expected to require overnight hospitalization may resume April 27. Elective dental procedures are permitted to resume June 15.		Arkansas Vaccination Plan	SUPREME COURT OF ARKANSAS: In Re Response to the COVID-19 Pandemic/Vaccine Eligibility Court's Vaccine Order	<a href="#">Governor Hutchinson Issues Statement on the Arkansas Supreme Court's Vaccine Order</a>
California (CA)	March 4, 2021 – Governor Newsom signed an Executive Order extending authorization for local governments to halt evictions for renters impacted by the pandemic. This order will remain in effect until June 30, 2021. March 3, 2021 – Governor Newsom announced the state administration approved the state's request to utilize Medicaid funding to provide COVID-19 testing for low-income students covered by the program. This is part of an effort to reopen schools for in-person learning.	Western States Pact	California's Roadmap to Modify the Stay-at-Home Order	On January 5, CDPH issued a public health order requiring some non-essential and non-life-threatening surgeries to be delayed in counties with 10 percent or less of ICU capacity under the Regional Stay at Home Order where the regional ICU capacity is at 0 percent.	Travel Advisory	California Vaccination Plan	Governor Newsom Announces Federal Approval of Medicaid Funding for Expanded COVID-19 Testing Order in Response to COVID-19 Pandemic 3.4.21	<a href="#">Governor Newsom Signs Executive Order in Response to COVID-19 Pandemic 3.4.21</a>
Colorado (CO)	March 5, 2021 – The state began allocating vaccines to community-based organizations to 26 new clinics between March 5 and March 11 as part of Governor Polis' vaccines for All plan. March 1, 2021 – Governor Polis signed two Executive Orders today, the first suspending statutes to maintain Medicaid and Children's Basic Health Plan eligibilities, and the second extending a previous order to expedite unemployment insurance claim processing.	Western States Pact	Governor's Council on Economic Stabilization and Growth	Governor Polis issued several executive orders allowing elective procedures to resume provided the facility providing the service follows outlined protocols. On June 24, the Governor issued an updated executive order effective for 30 days, extending the prior executive order allowing elective procedures.		Colorado Vaccination Plan	Governor Polis Takes Action in Response to COVID-19 Pandemic	<a href="#">Gov. Polis Partners with Community-Based Organizations, Hosts Clinics as Part of Vaccines for All Plan</a>
Connecticut (CT)	March 4, 2021 – The state's vaccine eligibility opened to those 55 and over as of March 1, the next expansion is set to begin on March 22 and will include people aged 45 and over. March 4, 2021 – Governor Lamont announced his plans to ease restrictions in the state regarding capacity levels and travel restrictions.	NE Regional	Reopen Connecticut Advisory Group	Hospitals began resumption of elective surgeries in May.	Connecticut requires anyone traveling into Connecticut from a state or territory other than New York, New Jersey, or Rhode Island, or from a country other than the United States, to self-quarantine for a 10-day period from the time of last contact with the identified state or country.	Connecticut Vaccination Plan	Governor Lamont Provides Update on Connecticut's Coronavirus Response Efforts	<a href="#">Governor Lamont Announces Plans To Ease Some COVID-19 Restrictions in Connecticut</a>
Delaware (DE)	February 27, 2021 – Governor Carney and the Delaware Division of Public Health are preparing to receive a shipment of the new Johnson&Johnson vaccine as early as next week.	NE Regional	Restarting Delaware's Economy	Resumption of Elective and non-Urgent Medical Procedures and Appointments		Delaware Vaccination Plan	Gov. Carney, DPH Prepare For Johnson & Johnson COVID-19 Vaccine Following FDA Emergency Use Authorization Approval	
District of Columbia (DC)	March 3, 2021 – Mayor Bowser and DC Health announced beginning next week the District will switch over to a new pre-registration system to make vaccination appointments.		Reopen DC	The District of Columbia Department of Health issued guidance for resuming elective non-emergency surgeries starting on May 26 with Phase 1 of reopening. On June 15, the Department updated Phase 2 guidance for elective procedures.	Travel Status Update	District of Columbia Vaccination Plan	Mayor Bowser and DC Health Announce Path Forward for Registering for a Vaccination Appointment	

Florida (FL)	<b>March 1, 2021</b> – Governor DeSantis signed Executive Order 21-47 expanding vaccine eligibility effective March 3. Those eligible include: long-term care residents and staff, people 65 and older, health care professionals, K-12 school employees 50 and older, law enforcement officers 50 and older, and firefighters 50 and older. The order also allowed people “especially vulnerable to COVID-19” to be vaccinated, but did not specify which medical conditions this applies to, leaving it up to physician’s discretion.			Executive Order 10-112: Effective May 4, procedures may resume under certain conditions. However, hospitals in South Florida have announced they will be postponing elective procedures due to rising COVID-19 cases. More regions are expected to follow suit.	<a href="#">Mandatory, Executive Order - All Air Travelers Coming from CT, NJ, NY</a>			<a href="#">Florida Vaccination Plan</a>		<a href="#">Executive Order No. 21-47</a>
Georgia (GA)	<b>March 3, 2021</b> – Governor Kemp announced the establishment of five new mass vaccination sites opening on March 17 to address increasing demand for the vaccine as the next round of eligibility begins on March 8. <b>February 26, 2021</b> – Governor Kemp signed two Executive Orders extending the Public Health State of Emergency in effect through April 6 and extending guidance for the Empowering a Healthy Georgia plan through March 15.			Governor Kemp’s announcement on a phased reopening of the state’s economy noted healthcare providers had voluntarily suspended elective procedures. However, the Governor expressed his belief that the state was positioned to obtain the necessary PPE and medical supplies to resume elective procedures.			<a href="#">Georgia Vaccination Plan</a>	<a href="#">Governor Kemp Issues New COVID-19 Executive Orders</a>	<a href="#">Gov. Kemp Announces Five Additional Mass Vaccination Sites</a>	
Hawaii (HI)	<b>March 3, 2021</b> – The Department of Health announced the state is expanding vaccine eligibility to include people 70 and older beginning Monday, March 8.		<a href="#">Economic and Community Recovery and Resiliency Plans</a>	Gov. Ige previously issued Executive Order 20-25 ordering all healthcare facilities and providers to render assistance in support of the state’s response to the COVID-19 pandemic. This executive order includes canceling or postponing elective surgeries and procedures as each facility determines appropriate under the circumstances. The governor’s sixth supplementary proclamation restates the prior elective procedure executive order, which includes canceling or postponing elective surgeries; however, media reports indicate the governor may relax elective procedure prohibitions.	<a href="#">Pre-Travel Testing Program Details</a>		<a href="#">Hawaii Vaccination Plan</a>		<a href="#">DOH NEWS RELEASE: VACCINATIONS FOR THOSE 70 AND OLDER BEGIN MONDAY, MARCH 8</a>	
Idaho (ID)	<b>March 2, 2021</b> – Governor Little announced FEMA has awarded \$39 million to the Idaho Office of Emergency Management to support COVID-19 vaccination efforts across the state as a response to the Governor’s emergency declaration.	<a href="#">Midwest Partnership</a>	<a href="#">Economic Rebound Advisory Committee</a>				<a href="#">Idaho Vaccination Plan</a>		<a href="#">Governor’s emergency declaration secures millions in funding for vaccination effort</a>	
Illinois (IL)	<b>February 26, 2021</b> – Governor Pritzker signed HB 4276, legislation extending worker compensation benefits for first responders and essential workers exposed to COVID-19 through June 30.	<a href="#">Midwest Partnership</a>	<a href="#">COVID-19 Campus Reopening Committee</a>	Department of Health Guidance: Beginning May 11, hospitals may begin to perform procedures, provided that specific criteria have been met. On May 13, Governor Pritzker issued an executive order that essentially incorporates the Illinois Department of Public Health’s prior mandates and requirements for the performance of elective procedures.	<a href="#">14-Day Quarantine for Visitors to Chicago from Certain States</a>		<a href="#">Illinois Vaccination Review</a>		<a href="#">Governor Pritzker Signs HB 4276, Extends Protections for First Responders and Frontline Essential Workers Impacted by COVID-19</a>	
Indiana (IN)	<b>March 3, 2021</b> – The state expanded vaccine eligibility to now include people aged 50 and over.	<a href="#">Midwest Partnership</a>	<a href="#">Back on Track Indiana</a>	Executive Order: Beginning April 27, hospitals can resume elective procedures, provided the facility has sufficient PPE and meets several conditions. Note: As of November 4, elective procedures are halted in certain regions and hospitals to ease the burden on hospital staff.			<a href="#">Indiana Vaccination Plan</a>		<a href="#">COVID-19 Vaccine Latest Updates &amp; Resources</a>	
Iowa (IA)	<b>March 5, 2021</b> – Iowa expanded their vaccine eligibility, beginning Monday, March 8, to include people 64 and older as well as younger residents with medical conditions.			New Proclamation of Disaster Emergency: Beginning April 27, outpatient surgeries may resume, and inpatient surgeries may resume if they pose a significant risk to quality of life if further delayed.	<a href="#">Recommendation - All Travelers</a>		<a href="#">Iowa Vaccination Plan</a>		<a href="#">Iowans with Underlying Conditions Eligible for COVID-19 Vaccine Beginning March 8</a>

Massachusetts (MA)	<p><b>March 4, 2021</b> – The Baker-Polito Administration announced \$39.7 million in awards for 1,026 businesses in the ninth round of COVID relief grants administered by the Massachusetts Growth Capital Corporation.</p> <p><b>March 3, 2021</b> – The Baker-Polito Administration announced K-12 educators and staff, and childcare workers will be eligible for the vaccine beginning on March 11. This group joins the current eligible groups, those 65 and over and those with certain medical conditions.</p>	<a href="#">NE Regional</a>	<a href="#">Reopening Advisory Board</a>	As of May 18, hospitals and community health centers, upon attestation, can provide high-priority preventative care, pediatric care and treatment for high-risk patients and conditions. Further, as of May 15, additional healthcare providers can provide these same limited services upon attestation. During phase two, the plan calls for expanded ambulatory in-person routine care to resume.	<a href="#">COVID-19 Travel Order</a>	<a href="#">Massachusetts Vaccination Plan</a>	<p><a href="#">Baker-Polito Administration Announces K-12 Educators, Child Care Workers and K-12 School Staff Eligible for Vaccine Appointments Starting March 11th &amp; Vaccine Appointment</a></p> <p><a href="#">Baker-Polito Administration Awards Nearly \$40 Million in Grants to 1,026 Additional Businesses for COVID Relief</a></p>
Michigan (MI)	<p><b>March 3, 2021</b> – Governor Whitmer and the Michigan Department of Health and Human Services announced the expansion of vaccine eligibility requirements to include people 50 and older with medical conditions beginning on March 8. Eligibility will expand to all residents 50 and over on March 22.</p> <p><b>March 2, 2021</b> – The Michigan Department of Health and Human Services updated two of its epidemic orders allowing for increased capacity limits for various venues, gatherings, and visitation for residential care facilities.</p>	<a href="#">Midwest Partnership</a>	<a href="#">Mi Safe Start</a>	Governor Whitmer issued an executive order stating that beginning May 29, elective procedures may resume.		<a href="#">Michigan Vaccination Plan</a>	<p><a href="#">Michigan Expanding Access to Safe, Effective COVID-19 Vaccine Starting Monday</a></p>
Minnesota (MN)	<p><b>March 3, 2021</b> – Governor Walz signed a new bill into law authorizing dentists to administer coronavirus vaccinations to increase the number of eligible vaccinators in the state.</p>	<a href="#">Midwest Partnership</a>		Governor Walz signed an executive order permitting hospitals, ambulatory surgery centers, and clinics - including dental facilities - to resume certain procedures, provided they follow certain protocols.		<a href="#">Minnesota Vaccination Plan</a>	<p><a href="#">Governor Walz Signs Bill Into Law to Help Prepare for Increased Vaccine Supply</a></p>
Mississippi (MS)	<p><b>March 4, 2021</b> – Beginning March 4, COVID-19 vaccine eligibility has been expanded to include people aged 50 and older.</p>		<a href="#">Commission for Economic Recovery</a>	On July 7, a Mississippi state health officer announced an order to roll back elective procedures in certain counties, including Jones, Hinds, Madison, Forrest, Washington and Rankin. Elective procedures had previously been allowed to resume beginning April 24.		<a href="#">Mississippi Vaccination Plan</a>	<p><a href="#">MSDH Expands Eligibility for COVID-19 Vaccine</a></p>
Missouri (MO)	<p><b>March 4, 2021</b> – Governor Parson announced pharmacies across the state will begin receiving prioritized shipments of the COVID-19 vaccine through a new State Pharmacy Program.</p>		<a href="#">"Show Me Strong" Recovery Plan</a>	Elective surgeries began to resume at hospitals across Missouri in May.		<a href="#">Missouri Vaccination Plan</a>	<p><a href="#">GOVERNOR PARSON ANNOUNCES ADDITIONAL COVID-19 VACCINE DELIVERY CHANNEL IN MISSOURI</a></p>
Montana (MT)	<p><b>March 2, 2021</b> – Governor Gianforte announced the state will begin Phase 1B+ of their vaccine distribution plan beginning on March 8. This expansion includes residents 60 and older and residents 16 to 59 with qualifying medical conditions.</p>		<a href="#">Reopening the Big Sky</a>	Hospitals voluntarily paused elective procedures in March due to COVID-19; however, certain hospitals resumed some elective procedures beginning in May.		<a href="#">Montana Vaccination Plan</a>	<p><a href="#">GOVERNOR GIANFORTE EXPANDS VACCINE DISTRIBUTION TO MOST VULNERABLE MONTANANS WITH PHASE 1B+</a></p>
Nebraska (NE)	<p><b>March 4, 2021</b> – Governor Ricketts outlined the state's coronavirus vaccine distribution plan in a press conference. Nebraska is currently in Phase 1B, vaccinating residents 65 and older. Phase 2A will vaccinate residents 50-64 once Phase 1B is complete. They are currently prioritizing age-based eligibility.</p>		<a href="#">Nebraska Business Task Force</a>	As of December 23, 2020, elective surgeries may resume without restriction.		<a href="#">Nebraska Vaccination Plan</a>	<p><a href="#">Gov. Ricketts, DHSS Leaders Outline the Next Phase of the State's Coronavirus Vaccination Plan</a></p>
Nevada (NV)	<p><b>March 4, 2021</b> – The state released guidance detailing the transition of COVID mitigation measures to local authorities. The guidance follows the phased-in approach outlined by Governor Sisolak's Nevada's Roadmap to Recovery Safe Reopening Act released in mid-February.</p>		<a href="#">Western States Pact</a>	On April 28, Governor Sisolak announced that the Nevada Hospital Association may prepare to resume medically necessary procedures that were halted to support COVID-19 efforts. Nevada did not previously restrict elective procedures; however, individual communities had restricted them. Nevada hospitals will provide medically necessary procedures according to an established plan to safely phase them in, based on several factors.		<a href="#">Nevada Vaccination Plan</a>	<p><a href="#">NEVADA'S ROADMAP TO RECOVERY</a></p> <p><a href="#">State releases guidance outlining transition of COVID-19 mitigation and management to local authorities</a></p>

New Hampshire (NH)	March 2, 2021 – Governor Sununu issued Executive Order No. 86 authorizing certain retired healthcare workers to administer the COVID-19 vaccine.			The "Stay-at-Home 2.0" plan set a timeline that lifted restrictions on elective and non-emergent healthcare services beginning May 4.  <a href="#">Recommendation - All Travelers</a>		<a href="#">New Hampshire Vaccination Plan</a>		<a href="#">Governor Sununu Issues Emergency Order #86</a>
New Jersey (NJ)	March 4, 2021 – Governor Murphy signed Executive Order No. 229 extending the moratorium preventing residents from having utilities disconnected through June 20. March 1, 2021 – Governor Murphy announced the expansion of vaccine eligibility to include educators and staff in K-12 schools, childcare workers, and transportation workers beginning March 15.	NE Regional	Governor's Restart and Recovery Commission	On May 19, the New Jersey Department of Health issued guidance for ambulatory surgery centers to resume elective surgery and invasive procedures and a separate guidance for hospitals to resume elective surgeries.	As of November 25, New Jersey strongly encourages a 14-day quarantine for any nonessential interstate travel, excluding immediate region travel (New York, Connecticut, Pennsylvania and Delaware).	<a href="#">New Jersey Vaccination Plan</a>	Governor Murphy Announces Expansion of Eligibility for New Jersey's COVID-19 Vaccination Program	Governor Murphy Signs Executive Order Extending Utility Shutoff Moratorium Through June 30, 2021
New Mexico (NM)	March 4, 2021 – The New Mexico Department of Health reported 259 new cases today.	Economic Recovery Council		The New Mexico Secretary of Public Health previously prohibited elective procedures across the state. The order is to stay in effect until the state of emergency in New Mexico is over. Under the reopening guidelines issued May 21 by the New Mexico Medical Advisory Team, office procedures that are cosmetic and procedures that can be delayed for 90 days in patients without pain, disability or increased challenge to treat should continue to be avoided.		<a href="#">New Mexico Vaccination Plan</a>	New Mexico COVID-19 update: 259 new cases, totaling 186,156	
New York (NY)	March 3, 2021 – Governor Cuomo announced new capacity standards for a variety of venues beginning April 2. He also announced domestic travelers coming to New York that have been vaccinated will no longer have to quarantine upon arrival.	NE Regional	Phased Plan to Reopen New York	Governor Cuomo announced beginning April 28, hospitals may resume elective outpatient treatments if the hospital capacity is over 25 percent for the county and if there have been fewer than 10 new hospitalizations of COVID-19 patients in the county over the preceding 10 days. Over the last several weeks, Governor Cuomo has gradually lifted restrictions on elective procedures in certain counties.	Governor Cuomo announced travelers may "test out" the mandatory 10-day quarantine for asymptomatic individuals. Travelers from states that are contiguous with New York are exempt, however they must continue to fill out the Traveler Health Form.	<a href="#">New York Vaccination Plan</a>	Governor Cuomo Announces Event, Arts and Entertainment Venues Can Reopen at 33 Percent Capacity Beginning April 2	
North Carolina (NC)	March 2, 2021 – Governor Cooper and the North Carolina Department of Health and Human Services announced additional frontline essential workers in Group 3 will be eligible for vaccinations beginning March 3. Governor Cooper also announced Group 4 is expected to begin on March 24.	Path Forward for North Carolina		The Secretary of the North Carolina Department of Health and Human Services issued a letter to hospital and ambulatory surgery centers stating that effective May 1, elective and non-urgent procedures could resume in accordance with North Carolina Healthcare Association guidelines for non-emergency, non-COVID-19 healthcare. The letter and guidance require certain protections for healthcare workers, policies on PPE, and a defined COVID-19 testing process, in addition to other restrictions.		<a href="#">North Carolina Vaccination Plan</a>	Gov. Cooper Announces Frontline Essential Workers Eligible for Vaccination Beginning March 3	
North Dakota (ND)	March 2, 2021 – The North Dakota Department of Health (NDDoH) announced the state has integrated the newly approved Johnson&Johnson vaccine into their vaccine rollout. March 1, 2021 – The North Dakota Department of Health (NDDoH) reinforced vaccine guidance for providers, limiting vaccines for out-of-state residents to only those going to school or working in North Dakota.		Outline for Path Forward for Reopening	Governor Burgum expressed his belief decisions on elective procedures should be made by hospitals themselves. Most hospitals across the state have resumed elective procedures.		<a href="#">North Dakota Vaccination Plan</a>	Department of Health reinforces guidance for COVID-19 vaccine providers regarding vaccination of out-of-state residents	North Dakota prepared to integrate Jansen COVID-19 vaccine into statewide rollout
Ohio (OH)	March 1, 2021 – Governor DeWine announced Phase 1C and Phase 2 of Ohio's vaccination eligibility plan will begin on March 4.	Midwest Partnership	Responsible Restart Ohio	Beginning May 1, all medically necessary procedures that do not require an overnight stay or hospital admission and which minimize the use of PPE may move forward under certain conditions.	Mandatory Quarantine for Visitors from a State with 15% or More Positivity Rate.	<a href="#">Ohio Vaccination Plan</a>	COVID-19 Update: Vaccination Phase 1C & Phase 2	
Oklahoma (OK)	March 5, 2021 – The Oklahoma State Department of Health reported the average 7-day new case rate is 648. 28 counties are at an "orange" risk level, 47 are at "yellow" and two are at "green."		Open Up and Recover Safely	On June 15, the prohibition on elective procedures was lifted as long as facilities and providers abide by certain requirements.		<a href="#">Oklahoma Vaccination Plan</a>	SITUATION UPDATE: COVID-19 03/05/2021	
Oregon (OR)	March 4, 2021 – Governor Brown announced a modification of the process of assigning county risk levels, providing a two-week extension for counties moving back to Extreme Risk. The next risk assessment levels will be announced March 9 to take effect March 12. February 26, 2021 – Governor Brown announced the next group of eligibility for Phase 1b will begin on March 29. This expansion will include adults aged 45-64 with underlying health conditions.	Western States Pact	Reopening Oregon	On May 1, Governor Brown announced a framework for lifting restrictions on non-urgent procedures if providers meet certain COVID-19 metrics.		<a href="#">Oregon Vaccination Plan</a>	Governor Kate Brown Announces COVID-19 Vaccine Prioritization Schedule	Governor Kate Brown Announces Two-Week Extension for Counties Facing Moves Back to Extreme Risk
Pennsylvania (PA)	March 3, 2021 – Governor Wolf signed HB 326 to permit the Pennsylvania National Guard to develop plans for establishing regional community sites for COVID-19 vaccines as the vaccine supply increases. March 3, 2021 – Governor Wolf and the COVID-19 Vaccine Task Force announced the state will use the Johnson & Johnson single dose vaccine for K-12 teachers and other school staff	NE Regional	Plan for Pennsylvania	Providers can resume non-urgent elective care and urgent and emergency care beginning May 9, but only where appropriate PPE is available and telemedicine is not clinically sufficient. Vermont (VT)	<p><b>March 2, 2021</b> – Governor Scott announced the next phase of the state's vaccination plan will begin Monday, March 8 and Monday, March 15. Phase 5A, beginning March 8, includes people 55 and older with high-risk conditions and Phase 5B, beginning March 15, includes people 16 and older with high-risk conditions. The state will also begin vaccinating teachers and other school staff next week.</p>		<p><a href="#">Economic Mitigation and Recovery Taskforce: Restart VT Team</a></p>	<p>On May 4, Governor Scott announced some elective procedures may resume. Outpatient clinic visits and diagnostic imaging may resume immediately if providers demonstrate adherence to physical distancing, CDC guidelines and safe environments. Providers may also perform outpatient surgeries and procedures that have minimal impact on inpatient bed capacity and PPE levels, including those performed at ASCs. Additional screenings and procedures must be in place.</p>		<p><a href="#">Vermont Travel and Quarantine Information</a></p>	<p><a href="#">Vermont Vaccination Plan</a></p>		<p><a href="#">GOVERNOR PHIL SCOTT ANNOUNCES NEXT PHASE OF VERMONT'S VACCINE ROLLOUT</a></p>
Virginia (VA)	<p><b>March 3, 2021</b> – Governor Northam announced Ceres Nanosciences, Inc., a life sciences company working on improving diagnostic testing, will expand its operation in Prince William County's Innovation Park to increase manufacturing of its technology for COVID-19 tests.</p>		<p><a href="#">COVID-19 Business Taskforce</a></p>	<p>On May 1, Governor Northam announced all elective procedures may resume pursuant to certain requirements.</p>			<p><a href="#">Virginia Vaccination Plan</a></p>		<p><a href="#">Ceres Nanosciences, Inc. to Increase Manufacturing Capacity for COVID-19 Testing Reagents with Prince William County Expansion</a></p>
Washington (WA)	<p><b>March 4, 2021</b> – Governor Inslee and the Washington State Department of Health announced Phase 1B-2 of the state's vaccine distribution plan is set to begin on March 22.</p>	<p><a href="#">Western States Pact</a></p>	<p><a href="#">Washington's Recovery Plan</a></p>	<p>Elective procedures are permitted to resume May 18 under certain conditions. On June 10, the Washington State Department of Health released a situation report on the increased COVID-19 transmission in western and eastern Washington. Given the governor's proclamation issued May 18, each region should be assessed prior to restarting elective procedures.</p>			<p><a href="#">Washington Vaccination Plan</a></p>	<p><a href="#">Washington's COVID-19 Vaccination Phases</a></p>	<p><a href="#">Moving into Phase 1B-2: Critical workers, pregnant people eligible for COVID-19 vaccine in late March</a></p>
West Virginia (WV)	<p><b>March 3, 2021</b> – Governor Justice announced the expansion of the state's vaccine eligibility to include residents 50 and older, education workers 40-50 years old, and any resident 16 and older with pre-existing medical conditions, effective immediately.</p>		<p><a href="#">West Virginia Strong - The Comeback</a></p>	<p>More urgent elective procedures may resume beginning April 20, pursuant to state approval.</p>			<p><a href="#">West Virginia Vaccination Plan</a></p>		<p><a href="#">COVID-19 UPDATE: Gov. Justice makes vaccines available to residents age 50+, education workers age 40-50, and all 16+ with certain medical conditions</a></p>
Wisconsin (WI)	<p><b>March 1, 2021</b> – The Wisconsin Department of Health Services updated vaccine eligibility beginning March 1 to include: frontline healthcare personnel, long-term care residents, police and fire personnel, adults 65 and older, education and childcare staff, individuals enrolled in Medicaid long-term care, some public-facing essential workers, healthcare personnel, and faculty and residents of congregate living.</p>		<p><a href="#">Midwest Partnership</a></p>	<p>Wisconsin has not yet prohibited elective surgeries. Guidance from the Wisconsin Department of Health, DPH Numbered Memo 2020-14 does recommend that dental practices postpone all elective and non-urgent care treatment.</p>			<p><a href="#">Wisconsin Vaccination Plan</a></p>		<p><a href="#">Groups Now Eligible for the COVID-19 Vaccine</a></p>
Wyoming (WY)	<p><b>March 5, 2021</b> – The Wyoming Department of Health reported 97,685 first doses and 57,725 second doses of the COVID-19 vaccine have been administered so far. The state is currently working through Phases 1a-1c.</p>		<p><a href="#">Governor Gordon's Reopening Plan</a></p>	<p>While the Wyoming governor and the Department of Health did not prohibit elective procedures, the Department of Health issued guidance on resuming elective and non-emergent procedures for those hospitals and providers that had suspended the procedures per CMS guidance.</p>			<p><a href="#">Wyoming Vaccination Plan</a></p>		<p><a href="#">Wyoming COVID-19 Vaccine Information</a></p>
