Bay Area Crisis Nursery

This will be the **27th time** we have donated to the Bay Area Crisis Nursery of Concord. The Nursery offers assistance to folks in need in the entire Bay Area. Parents who cannot deal with their children are allowed to drop them off for stays at the Nursery, at no charge. Some families are destitute and have no other family in the area. The Nursery gives to all of the families they have served and who are in need of assistance. Some of the children receive only these gifts at Christmas time. I am proud that NorCal-Northern Nevada Chapter of NAFA will support the Nursery again this year.
