

A Helping Handful of Veggies

I have too many veggies,
I have enough to spare.
I give them to my neighbors,
And they're very glad I care.
Zucchini, cabbages, and broccoli crowns,
There are so many veggies that they fall to the ground.
Mr. Peter gets pumpkin,
Mr. Carl gets corn,
Miss Carmela gets cucumbers,
And a pickle is born.
Miss Theresa gets turnips,
Miss Patty gets potatoes,
Mr. Sam gets squash,
And Mr. Tom gets tomatoes.
Everyone's happy; no one is sad,
And sharing makes me feel so glad.
