

Do the Right Thing

By

Samantha A.

Red, orange, yellow and green
These are the colors in the rainbow and the garden too

I like veggies
Carrots, tomatoes, corn and more carrots

When I have enough I like to share
Why? Because I'm really nice and it's the right thing to do.

I eat cooked vegetables especially when I make it
Give me carrots and corn anytime
I especially love juicy tomatoes, they are the best

When I have enough I like to share
Why? Well I have already told you, because I'm really nice
and it's the right thing to do
