CLASS OF 1967 SCHOLARS AND ENDOWMENT FUND

Over the past seventy-five plus years, the Southern University Alumni Federation has been the command post for alums to volunteer for service to our Alma Mater. Along with Southern University System administrators, the Federation and alumni chapters have jointly faced the trials and tribulations confronting our campuses. Those challenges have called for much soul-searching to address the intractable problems that fade, die and born again. Some alums have taken the easy road by throwing up their hands in despair, or have offered lip service and done nothing. Others have not shunned from the battles.

Fortunately, there has been a resurgence of the "warrior clan" among Southern University alums. We have seen the development and implementation of the most imaginative and innovative "war plans" to insure the well being and legacy of our Alma Mater. The warriors are the alums who have and continue to devise strategies to support the Southern University System mission. Each member of our warrior clan is an extraordinary individual who rejects indifference and the shadows on non-involvement in Federation programs and initiatives.

At the 2013 Southern University Baton Rouge campus Homecoming, a few Class of 1967 members begin planning for the 50th Reunion in 2017. In the Fall of 2015, a few class members met and formed the cadre for developing a scholarship and endowment fund. The strategy for formal implementation was completed in the Spring of 2016. It includes a scholarship committee and scholarship program. Like our fellow warriors, the voices of the Class of 1967 shall resound powerfully, loudly, and clearly. Our voices shall be heard as we sing "***O Southern, Dear Southern, Thy Name Shall Ever Be***." August 31, 2017 was established as the target date for Class of 1967 members to remit their respective donations to the fund. Donations should be made payable to "***SUSLA Foundation***" and mailed:
