

New job opportunity geared toward Catholic pediatricians

[**MyCatholicDoctor**](#) is a new **telehealth/virtual care organization opening September 1st, 2018** that will bring a team of faithful medical professionals to patients through video-based health consultation on almost any smart phone, computer or tablet. They are currently recruiting pediatricians and other pediatric health care professionals that desire to integrate the Catholic faith into their practice.

Why join MyCatholicDoctor?

- Practice with the full voice of faith with a team of faithful colleagues you trust
- Make your own hours and work from your location of choice
- Set your own rates
- They take care of all the back-end technology and offer a HIPPA compliant telehealth platform, EMR, malpractice that is specifically for virtual care, billing and collections, and targeted marketing

MyCatholicDoctor will offer the following services:

- **School Based TeleHealth/Virtual Care:** We will provide pediatricians and counselors to Catholic schools and colleges through video-based visits to allow Catholic schools to meet the recommendation of the American Academy of Pediatrics for school-based telehealth, while staying faithful to the U.S. Conference of Catholic Bishops Ethical and Religious Directives for Health Care and the Catechism of the Catholic Church.

- **Consultation with trusted specialists and primary care providers**, either on a one-time or ongoing basis.
- **Behavioral health**, including psychiatric care, counseling, and social work, all from a Catholic perspective. Spiritual direction is offered for adults.
- **NaPro Technology and Natural Family Planning Services** specifically geared toward the adolescent, including "The Wonder of Eve," a mother-daughter sexual health educational program for adolescents which we will host by webinar. Father-son program coming soon.
- **Speech therapy**, for both Catholic schools and in-home services
- **Emergency miscarriage and pregnancy loss support**, offered free of charge to the public
- **Virtual Convenient Care** for minor illness such as influenza
- **After hours call coverage** for private practices
