

## **Building Ties**

Building Safety Division

Do you need to replace your furnace or water heater? add electrical outlets or lights? add a gas fireplace? finishing your basement? building an addition or new home? Well you are reading in the right place. We are the City of Orem Building Safety Division and we are here to help. Our staff is International Code Council (ICC) certified and has many years of experience in all aspects of commercial and residential building, electrical, plumbing, heating and air conditioning inspections. We can help answer questions regarding code requirements for all types of construction. Our goal is to work closely with owners and contractors to ensure buildings are safe places to live, work and play. We are here to answer any questions you may have about construction in your homes or businesses. Asking questions up front can help you avoid problems and extra cost in the future. You can access additional information at <https://orem.org/buildingsafety/>, give us a call at 801-229-7060 or email at [pkashton@orem.org](mailto:pkashton@orem.org).
