

SWIMMING LESSON SESSIONS

The Orem Recreation Department is dedicated to providing an opportunity for children in the community to become safe when they are in, on, or around water. The City of Orem has joined with other cities in creating the Utah County Swim School and has developed a new swimming lesson program. The program covers skills and knowledge in a logical progression for aquatic skill development. Lessons are offered both indoor at the Orem Fitness Center and outdoor at the Scera Park Pools. We reserve the right to combine, cancel, or transfer classes and participants as necessary.
