

SUMMER 2025 PROGRAM

Join us for an exciting summer of learning and adventure! Whether your child loves science, sports, performing arts, or all of the above, we have something for everyone.

MORNING PROGRAMS (MONDAY–THURSDAY)

Academic Enrichment (Rising DK–4th Grade):

Bridges the summer learning gap while offering children a classic fun-filled summer experience enhanced with cooking, arts and crafts, STEAM activities, and yoga. Weekly themes bring it all together for a smooth transition from the familiar previous school year to the exciting challenges ahead.

NEW! STEAM & Math Intensive (Rising 5th–6th Grade):

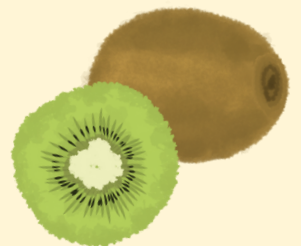

Get ready for a fun and challenging summer of math and STEAM exploration! Led by Mr. Wamble and Mr. Gonzalez, this intensive program helps rising 5th and 6th graders master fractions, decimals, ratios, and equations through hands-on projects. Students will sharpen critical thinking, apply math to real-world problems, and build confidence for the upcoming school year.

Counselor in Training (Rising 7th–8th Grade):

Gain real-world experience helping teachers and staff at SPA summer school. Get "behind the scenes" access to program operations by assisting in classrooms, planning projects, leading daily assemblies, and maybe even wearing an inflatable costume!

Sports Clinics with Coach Josh (Rising 6th–8th Grade):

Bring your game! This intense sports training camp focuses on building strength, speed, and agility for all sports.

AFTERNOON PROGRAMS

Musical Theatre (Rising 3rd–9th Grade):

Experience a complete musical theatre production, including auditions, rehearsals, and performance. Students will act, sing, and dance. Space is limited!

Summer Camp Fun (All Ages):

Unwind in our supervised, nurturing environment where kids enjoy afternoons of free play – from water games and creative art projects to friendly sports while making new friends and building our SPA community.

HOLIDAY CLOSURES

June 19th (Juneteenth)

**July 4th
(Independence Day)**
