

## *Alzheimer's Caregiver Support Group*

Are there times when you feel overwhelmed caring for a loved one who is suffering from Alzheimer's disease or other forms of dementia and would love to meet with others who are on the same journey you're experiencing?

Our caregiver support group brings people together and provides an opportunity to share your experiences, hopes and even frustrations in a safe setting, and to find encouragement and insight from other individuals who are walking along-side a loved one with Alzheimer's disease or other forms of dementia.

*Our support group meets 2nd & 4th Wednesdays:*

September 25, 2019—May 27, 2020

10-11:30AM, Chapel Room 602

Facilitated by: Craig & Hope Boutte
