

WITH-IN ME

Blessed am I,
Through struggles I have survived
Pain and suffering
once seen through my eyes.
The dimize of an addiction
No longer alive,
strength through a struggle.
Has given me the power
the power to see
how successful of a life
I can lead,
through patience
ambition
and belief.
I've come to realize
how blessed I am
and blessed to be,
I have found that
the power of success
lies within
ME
