#### ***What is something unique or descriptive about your church?***

We are a multi-cultural church with English language services. Our congregation is primarily African millennials

#### ***What is happening within the church that you are excited about?***

We just brought a young adult pastor on staff and we are about to bring on an administrator as well.

#### ***What are one or two prayer needs within the church?***

We have BIG building problems.

We minister in the following ways and wear a lot of hats:

- Church ( 1 year old)
- Community Center
- Asylum seekers ministry
- Partnerships with 6 churches
- Orphanage in Uganda (78 beds)
