Please provide the following information:

1. ***Please share something unique or descriptive about your church.***  
There are many non-profit leaders that are involved which creates a lot of opportunities for people to be involved outside the “walls” of the church.
2. ***What is happening within the church that you are excited about?***  
A hunger for God; His Word is growing like never before.
3. ***What are one or two prayer needs within the church?***  
Clear discipleship direction. Freedom: many young believers with tremendous life issues.

Thank you!
