520-344-4417

#### ***What is something unique or descriptive about your church?***

We have a heart for helping the Pima County Jail Ministry. We help by having several Chapel Services and by lifting them up in prayer! We have a heart that loves helping the city with all Christians and different denominations. The Body of Christ working together unto God's glory!

#### ***What is happening within the church that you are excited about?***

We moved. We are now renting space at the Mountain View Assembly of God Church and praising God for this new, beautiful location as we continue to serve Him unto His glory

#### ***What are one or two prayer needs within the church?***

That we have ears to hear what the Holy Spirit is saying and listen attentively and obey exactly- unto God's glory. That God would bring more and more to Pathway of Hope- as it is our desire to be a multi-generational and multi-ethnic church who loves God and loves others.
