What is something unique or descriptive about your church?

We are a multi-generational, multi-ethnic, Kingdom focused, healthy, passionate, growing body of citizens.

What is happening within the church that you are excited about?

We have experienced strong spiritual and numerical growth.
We have layers of leadership that are serving our body and the community.

What are one or two prayer needs within the church?

Wisdom to build and plant effectively
A much larger facility to accommodate our growth and the many needs of our city and the nations of the globe.
