#### ***What is something unique or descriptive about your church?***

We meet Sunday nights. We have the pleasure of partnering within our community and with other churches to help the kingdom of God here.

#### ***What is happening within the church that you are excited about?***

We are excited to see the impact that the church is having on the community around the church by serving our schools and by distributing food monthly.

#### ***What are one or two prayer needs within the church?***

We want to see the community that we serve come to know Jesus. That Elements City Church can create and reflect peace with people in mid-town. That we would continue to bring the hope and light of Jesus to the heart of our city.
