

Church of the Week
Bethel Community Baptist Church

Pastor Gary Smyth
446 S. Plumer Avenue
Tucson, Arizona 85719
520-622-4413

What is something unique or descriptive about your church?

Bethel Community Baptist Church is a multigenerational, diverse, family oriented church that has been on the corner of 15th Street and Plumer for 68 years. Although small in number, Bethel supports 11 missionaries, the Care Portal and people in need physically, emotionally and spiritually.

What is happening within the church that you are excited about?

Bethel Community Baptist Church is excited about sharing our church building with two other congregations; Kingdom Impact and Igelsia Del Dios Vivo Bethel. Another thing happening in our church we are excited about is Bethel members recently began participating in a monthly prayer walk through the neighborhood. All ages have been part of this neighborhood transformation work. Lastly, Bethel is excited about the recent baptismal service. Two children, one teenager and an adult professed their faith in Jesus and followed His command to be baptized.

What are one or two prayer needs within the church?

God has led more children to our church in the last year than we have had for a long time. We believe God is calling us to hire a part-time Children's Minister to develop our Children's Program. We need to find that person to fill this position.

Although God has richly blessed Bethel financially in recent months, the church is in need of workers to join Bethel in fulfilling the mission of our church to Bring, Mind, Equip and Send.
