***What is something unique or descriptive about your church?***

We love God, love one another, and love our city of Tucson. We started and help maintain the Tucson Neighborhood Food Pantry, which now feeds an average of 1,000 families per month. We host Royal Kids Camp once a year for disadvantaged foster children.

***What is happening within the church that you are excited about?***

We just finished our 6<sup>th</sup> "Neighborhood Underground" which is similar to David Platt's "Secret Church"

***What are one or two prayer needs within the church?***

We celebrated our 20<sup>th</sup> Anniversary in April 2019. Please pray the next 20 years to be even more fruitful in ministering to one another and our community. Please pray for those who attended our Royal Family Kids Camp July 8-12.
