***What is something unique or descriptive about your church?***

We are a church that is focused on studying the Word, serving the community, and visiting the infirm at the hospital. Our children are a priority, as they are the point from which comes transformation.

***What is happening within the church that you are excited about?***

We recently planted a church on February 28, 2019, in Imuris Sonora (just outside of Hermosillo)

***What are one or two prayer needs within the church?***

Please pray with us over this church plant, that it would continue to flourish and reach the people of the community
