Mailing address: P.O. Box 12368, Tucson 85732

***What is something unique or descriptive about your church?***

Our church has a good amount of diversity and is very friendly to all who come. We are passionate in our worship of Jesus and in our commitment to be and make disciples

***What is happening within the church that you are excited about?***

The growth of our home groups and Discovery groups are the heart of our church and we love what we see God doing in these groups. We also are excited for our “half night of prayer” where about 30 people meet from about 6 different churches to pray and make disciples.

***What are one or two prayer needs within the church?***

Transition into a different building and transition from a church culture of “Please Come” to a culture of “Please Go” (Matt 28: 19-20)
