The screenshot shows the SAM.gov website interface. At the top, there is a notification for "Planned Maintenance Apr 3, 2022". The main navigation includes "Home", "Search", and "Data". A "Sign In" button is visible in the top right corner. The notification modal is centered on the screen, featuring the SAM.gov logo and a close button (X) in the top right corner. The modal text reads: "You have reached SAM.gov, an official website of the U.S. government. There is no cost to use this site." Below this, a bold heading states: "The unique entity identifier used in SAM.gov has changed." The main body of the modal explains that on April 4, 2022, the unique entity identifier changed from the DUNS Number to the Unique Entity ID (generated by SAM.gov). It lists several key points: the UEI is a 12-character alphanumeric ID; the DUNS Number has been removed; registration and search now require the UEI; existing entities can find their UEI via a link; and new entities must register. A link is provided for those who manage an entity. At the bottom of the modal, there is a checkbox for "Do not show this message again" and a green "OK" button highlighted with a red dashed border.

Get Started with Registration and the Unique Entity ID

Submitting a registration and getting a Unique Entity ID are FREE.

Before You Get Started

Review these steps to choose which option is right for you. You can register to bid and apply for federal awards or you can request a Unique Entity ID only without having to complete a registration.

1 About Registration

If you want to apply for federal awards as a prime awardee, you need a **registration**.

A registration allows you to bid on government contracts and apply for federal assistance. As part of registration, we will assign you a Unique Entity ID.

To see comprehensive instructions and checklist for entity registration, download our [Entity Registration Checklist](#).

If you do not want to apply directly for awards, then you do not need a registration. If you only conduct certain types of transactions, such as reporting as a sub-awardee, you may not need to complete a registration. You may only need a **Unique Entity ID**.

Советы по заявкам на проверку

- Если возникли проблемы, **процесс решения может занять некоторое время**, поэтому зайдите на SAM.gov и получите уникальный идентификатор сущности (UE) как можно скорее.
- **Для каждой сущности создавайте только одну заявку на поддержку.** Создание нескольких заявок не только не ускорит процесс, но, напротив, замедлит его.
- **Не звоните в службу поддержки и не пишите в чат на FSD.gov на тему проверки сущностей.** Специалисты, занимающиеся проверкой сущностей, находятся в другой команде и могут общаться с вами только через систему заявок.
