## Job Board

## Start Your Career in East King County

East King County comprises 23 cities and towns a few miles east of Seattle, including the larger cities of Bellevue, Redmond, Kirkland, Renton, and Issaquah. Nearly two-thirds of King County's residents reside in East King County and the area boasts one of the largest employment centers in Washington state due to the large information technology and manufacturing sectors.

East King County is home to the headquarters of Microsoft as well as Nintendo North America; Facebook, Google, Amazon, SpaceX, and T-Mobile each have a significant presence in the area. Aerospace, biomedical, and healthcare companies have also chosen East King County for their offices.
