

KING COUNTY

# Vaccination Partnership

Redmond

## Community Vaccination Event

**Mayuri Foods | June 2, 2-7 p.m. | No Appointment Needed**

Good News! The King County Vaccination Partnership-Redmond is bringing COVID-19 vaccinations to YOUR community! We're parking our mobile vaccination clinic right outside **Mayuri Foods on Wednesday, June 2, from 2 to 7 p.m.** Bring the whole family – no appointment necessary!

The Partnership, a collaboration of EvergreenHealth, Overlake Medical Center, and Microsoft is currently offering the **Pfizer vaccine** for everyone 12 years old and older. All vaccines are free of charge; insurance is not required.

### What to Expect:

1. **Screening** – upon arrival, you will be quickly screened for COVID-19 symptoms.
2. **Registration and Check-In** – our helpful staff will get you registered into our system.
3. **Vaccination** – your personal information will be confirmed and our vaccinator will confirm it is okay to proceed. You will receive a single injection in your upper arm.
4. **Observation** - After vaccination, you will be required to wait for 15 minutes in the socially distanced observation area so that we can monitor you for any reactions to the vaccine. This is a good time to schedule your second vaccine dose, too! Staff will be on hand should you need assistance with scheduling.

**Mayuri Foods is an Indian grocery located at 2560 152<sup>nd</sup> Ave, NE in Redmond (98052).** While you're in the area, stop in and grab a late lunch or dinner! The India Association of Western Washington will be providing meal vouchers from local restaurants to individuals who receive a vaccination.

**All are welcome, and we look forward to seeing you and your family on June 2 for your vaccination at Mayuri Foods!**

*If you would rather schedule an appointment on the Microsoft campus, please call 425.899.3933 or visit [KCVRedmond.com](http://KCVRedmond.com).*
