PMDA Fall Webinar

“COVID in Long Term Care: Downstream Effects”

Caring for the Recovered COVID Patient in a SNF/LTC Understanding COVID-19 Survey and Enforcement Activities

Date: Tuesday, Sept. 15, 2020 6:15-7:30 p.m.

Credits: AMA, CMD, NHA

Fee: \$25/PMDA Member; \$30 Non-member

Register Online: <https://cvent.me/qgnw1Z>

Purpose

This webinar will cover aspects of the long term effects of COVID in long term care, focusing briefly on both clinical and administrative concerns.

Audience

Health care staff in post-acute and long-term care settings including medical directors, physicians managing long-term care patients, advanced practice professionals, and nursing staff. Non-PMDA members are welcome and encouraged to attend.

Objectives

- *Discuss long term impacts of COVID-19 on a SNF/LTC population
- *Develop strategies to best care for and address the complex needs of recovered COVID-19 patients in a SNF/LTC setting
- *Describe changes in federal and state regulatory enforcement regarding infection control prevention programs and COVID-19
- *Develop strategies to improve collaboration between medical staff and facility staff to improve survey outcome
- *Explore ways to enhance communication between stake holders, including regulators, government officials, families, residents and staff

Schedule/6:15 p.m. – 7:30 p.m.

PMDA Announcements, Introductions, Presentations, Q&A

Credits/AMA, and CMD credits are available. Application has been made for NHA credit.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Penn State College of Medicine and The Pennsylvania Society for Post-Acute and Long-Term Care Medicine. Penn State College of Medicine is accredited by the ACCME to provide continuing medical education for physicians. Penn State College of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s). Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses Using AMA Credit

Nurses will receive a certificate from Penn State College of Medicine verifying their participation in 1 hour of approved continuing medical education. Additional information is available through the State Board of Nursing at: <http://bit.ly/dospagovnurse>

This live activity has been pre-approved by the American Board of Post-Acute and Long-Term Care Medicine (ABPLM) for a total of 1 management hour toward certification as a Certified Medical Director in post-acute and long-term care medicine. The CMD program is administered by the ABPLM. Each physician should claim only those hours of credit actually spent on the activity.

The University reserves the right to cancel or postpone any activity because of insufficient enrollment or other unforeseen circumstances. continuing education service of Penn State College of Medicine, jointly provided by The Pennsylvania Society for Post-Acute and Long-Term Care Medicine (PMDA). This publication is available in alternative media upon request. Penn State is committed to affirmative action, equal opportunity, and the diversity of its workforce. U.Ed. MED A6664-21-V

Presenters

Molly Langford, MSN, CRNP received her B.S. and M.S. degrees in Nursing from the University of Pennsylvania. She has over 20 years experience as a certified gerontological Nurse Practitioner. Molly has spent her nursing career caring for the older adult population in a variety of settings including long term care, outpatient practice, home care, and acute inpatient. She is the Senior Director of Clinical Practice at Genesis Physician Services and is currently president-elect of PMDA.

Paula Sanders is a Principal, Co-Chair of Post & Schell's national healthcare practice and Chair of Post & Schell's COVID-19 Taskforce. She focuses her practice exclusively on healthcare law and is an appointed member of the American Health Care Association's legal committee and a member of the LeadingAge's national legal committee. Her clients include long-term care facilities, continuing care retirement communities (CCRCs), assisted living providers, and many others.

Information to access to the Zoom webinar will be provided September 10 to those who pre-registered.
