Dear Parents,

Did you know that over the summer vacation students can lose up to 80% of what they learned during the school year? Blessed Sacrament School has developed Summer Expectations in the areas of Reading and Math to help bridge the gap during the summer.

Students are required to complete *Summer Solutions* book.

- *Summer Solutions* books are designed to revisit skills and concepts that have already been introduced. The purpose is to allow your child to retain what was taught over the past year and in previous years.

The cost of \$15.00 per book will be deducted from FACTS.

Reading Expectations:

Students are required to complete their grade level *Summer Reading* and project before the first day of school, August 8. Attached you will find your child's reading requirements.

Summer Reading For Rising 4th Graders

Welcome incoming fourth grade students! This year you will be reading over the summer to help prepare you for the upcoming school year. Every incoming 4th grade student is required to read the following two books:

1. *The Lemonade War* by Jacqueline Davies; Evan and his younger sister, Jesse, react very differently to the news that they will be in the same class for fourth grade and as the end of summer approaches, they battle it out through lemonade stands, each trying to be the first to earn 100 dollars. Includes mathematical calculations and tips for running a successful lemonade stand!

2. *Tales of a Fourth Grade Nothing* by Judy Blume; Life with his little brother, two-year-old Fudge, makes Peter Hatcher feel like a fourth grade nothing. When Fudge walks off with Dribble, Peter's pet turtle, it's the last straw. Peter has put up with Fudge way too long. How can he get his parents to pay attention to him for a change?

After reading ***Tales of a Fourth Grade Nothing***, complete one of the projects listed below and bring it with you on the first day of school, August 8. A project rubric is included.

Bookmarks

Create 3 bookmarks: one from the beginning, one from the middle, and one from the end of the book. Include an illustration and written explanation of each important scene. Plan on giving a book talk in which you present your bookmarks to the class.

Plot Summary & Research an Author

Summarize the main events of the book, then research the author. Find out about his/her childhood, education, and rise to success. What are some of the other titles he/she has written? Where does he/she get inspiration?

Create a mobile

Make a mobile about the story. Include the title, a brief description about the author, characters, and setting. (Often a hanger is used with ribbon hanging from it attached to pieces of paper with neatly written or typed descriptions.)

Create a colorful poster

Be sure it includes all of the important information. (Characters, setting, series of main events from all parts of the story.)
