

SUMMER MATH/READING EXPECTATIONS

May 2022

Dear Parents,

Did you know that over the summer vacation students can lose up to 80% of what they learned during the school year? Blessed Sacrament School has developed Summer Expectations in the areas of Reading and Math to help bridge the gap during the summer.

Math Expectations for Rising Kindergarten through 8th Graders:

Students are required to complete *Summer Solutions* book.

- *Summer Solutions* books are designed to revisit skills and concepts that have already been introduced. The purpose is to allow your child to retain what was taught over the past year and in previous years.
(See attached details.)
The cost of \$15.00 per book will be deducted from FACTS.

Reading Expectations:

Students are required to complete their grade level *Summer Reading* and project before the first day of school, August 8. Attached you will find your child's reading requirements.

We appreciate your support and are confident that Blessed Sacrament School's children will benefit from this wonderful opportunity.

Math Requirements for Rising K – 8th graders *Summer Solutions*

Students will complete *Summer Solutions* and turn it in on the first day of school, **August 8**. Summer Solution books are designed to be used three times per week during the 10- week break.

Completion of the book will be taken as a **quiz grade** with the following taken into account:

- All work **must be shown** in the space provided on each page
- All work must be **completed in pencil**

Grading Rubric:

30 pages completed = 100
25-29 pages completed = 94
20-24 pages completed = 90
15-19 pages completed = 80
10-14 pages completed = 70
0-9 pages completed = 60

An **assessment** will be given to the students during the **first week of school** following the same format of practice in *Summer Solutions* and taken as a quiz grade.

Guided help pages can be found in the back of *Simple Solutions*.
