ASSOCIATION OF NEW JERSEY

"New Jersey's Voice On The Water"

If you enjoyed boating and our beautiful waterways this summer, then you should know who helps to make that happen! The Marine Trades Association of New Jersey (MTA/NJ) is a non-profit organization that works year-round protecting, promoting, and advancing the boating industry in New Jersey. The MTA/NJ is comprised of the businesses that help get you out on the water every season. This year, the MTA/NJ has been hit hard by the COVID-19 pandemic due to many canceled events and loss of funding. We are asking to please consider donating and supporting the MTA/NJ through this challenging time.

Help support the association that fights to keep boaters on the water. Scan the QR code below on your smartphone to make a donation today.
