### **All proceeds of the event benefit the Marine Trades Association of NJ.**

The Marine Trades Association of NJ (MTA/NJ) is a non-profit trade organization dedicated to advancing, promoting and protecting the recreational boating industry and waterways in New Jersey.

The MTA/NJ works hard every day supporting members, solving problems, and strengthening the boating industry. We work directly with influential state and federal legislators and leaders raising awareness and support for the boating industry. We also produce two boat shows with proceeds directly benefiting recreational boating in New Jersey.

By participating in or sponsoring our golf outing you will be supporting a powerful and united group of businesses working together to grow and protect boating in New Jersey.
