

Political Action Committee (PAC)

Your Investment in the Future of Recreational Boating in NJ

Dear Marine Business Owner,

The Marine Trades Association of New Jersey (MTA/NJ) has taken a leadership role in developing a strong voice in New Jersey. A powerful presence in Trenton raises awareness of the importance of the recreational boating industry and results in legislators being more responsive to our issues and challenges.

The MTA/NJ Political Action Committee (PAC) was formed as a means to exert more influence on elected officials and to stimulate communication between candidates for office and the recreational boating industry.

These issues cannot be resolved without the support of the industry as a whole. You and your company's participation is essential to ensure the success of the MTA/NJ PAC.

Sincerely,

Ed McCarthy

MTA/NJ President - McCarthy's Marine Sales

New Jersey PAC Regulations

Voluntary contributions to MTA/NJ PAC must be paid by check. The MTA/NJ PAC cannot accept cash. A completed MTA/NJ PAC contribution form must accompany each contribution made. Most individuals and corporations in New Jersey can make political contributions. Certain regulated industries such as financial institutions and utilities are prohibited from making corporate political contributions. For more information, go to www.elec.state.nj.us.

Personal Benefit

Personal contributions will give you the confidence of knowing you have contributed to the efforts of the recreational boating industry from which you derive your income.

PAC Q & A

What is the MTA/NJ Political Action Committee?

The MTA/NJ PAC is a non-partisan, non-profit, political action committee formed to raise voluntary contributions for supporting candidates in state and local elective offices who share boating concerns and are sensitive to expanding the recreational boating business and opportunities for growth.

What is the purpose of MTA/NJ PAC?

It ensures members the opportunity to participate in the election and support of candidates who make decisions affecting marine related businesses and the New Jersey recreational boating industry.

Who decides how PAC Funds are spent?

The MTA/NJ PAC is made up of MTA/NJ members who, as recreational boating industry employers, have the same concerns as you do. The PAC decides which candidates to support based on input from MTA/NJ members, voting records on key issues, interviews and recommendations from the MTA/NJ lobbyist and Board of Directors. The Criteria that the MTA/NJ PAC uses for supporting candidates are: (1) candidates who have consistently supported the MTA/NJ, (2) candidates who are supportive of a strong business climate where the recreational boating industry can grow and prosper.
