WHY THE NEED

Moving to a new place can be a challenging, lonely experience. In an attempt to alleviate some of the anxiety of being alone or far from home, the Clovis/Curry County Chamber of Commerce and the Committee of 50 created "Your New Mexico Home".

The program – modeled after Team Tinkers very successful "Home Away From Home" program, which was founded in 2013 and has made a positive difference in the lives of hundreds of airmen and Oklahoma City residents – strives to match community sponsors with young service men and women to give them a welcoming, safe and supportive place to spend time.

HOST FAMILIES

Host families are eager to provide a home away from home during your years at Cannon Air Force Base. They serve as positive mentors, friends and advisors, while offering a caring environment for you to escape the pressures of work. To qualify, host families must sign a liability waiver and pass a background check.
