

BRIAN SMITH

is an accomplished athletic administrator and educator with extensive experience in school-based and statewide programs.

As Director of Athletics, Activities, and Facility Use for Kent School District, he oversees interscholastic athletics, ASB policies, and facility use. He has contributed to shaping sports leadership and compliance initiatives across Washington, serving on advisory committees, and collaborating on programs that promote safety, inclusion, and student development. A former coach and leadership teacher, Brian holds a Master's in Sports Leadership from Concordia University and is dedicated to fostering positive experiences for students and communities.
