

UAPB Preeminence: Student Success and Return on Investment

The Pathway to Preeminence

Student Success	Student Preparedness	Program Quality and ROI	Employee Excellence	Research and Innovation
				

Dr. Anthony Graham,
Chancellor

"UAPB's future is preeminence measured by how high our students climb the ladder of opportunity, the social and economic mobility they achieve, and the lasting return on investment they generate for Arkansas and beyond."

At UAPB, we are charting a bold course toward becoming a nationally recognized preeminent land-grant institution that transforms lives through education, research, and service. Our mission is to advance socioeconomic mobility for our students, their families, and the communities we serve.

This vision is realized through a relentless focus on student success and student preparedness. By expanding access to high-impact practices, strengthening career readiness, and aligning our programs with workforce needs, we ensure our graduates are equipped to lead, innovate, and thrive after they leave campus. We are equally committed to demonstrating a return on investment where every dollar entrusted to UAPB yields measurable outcomes in degree attainment, job placement, and community advancement.

We recognize that excellence begins with people. Our faculty and staff embody the values of commitment, integrity, and innovation. Their expertise fuels research that addresses pressing challenges, sparks new ideas, and drives economic development across Arkansas and beyond. By investing in their success, we strengthen the institution's capacity to deliver on its promise.

Invest in the Pathway to Preeminence

UAPB invites your investment in our students' futures. Your support through scholarships, completion awards, paid internships, research projects, study away or study abroad, and community partnerships creates pathways to success. Together, we can expand access, empower learning, and prepare graduates who uplift families and communities. By investing in these pathways, we can collaboratively build a legacy of excellence that transforms lives and uplifts Arkansas for generations to come.

*"A Golden Start" Scholarship
for New First-Time Freshmen
(\$4 Million Campaign)*
