

Enough is Enough: Ending Breast Cancer Mortality through Policy

September 18, 2019

9:00-10:30am EDT

The National Press Club
529 14th Street, NW, 13th Floor
Washington, D.C. 20045
Fourth Estate Room

Please join us for the launch of Susan G. Komen's Center for Public Policy. A panel of stakeholders will join patients to discuss barriers to breast cancer research, detection and treatment and the role policy plays in creating solutions.

RSVP to policy@komen.org by Sept. 13th
